As one of the applicable percentage ratios calculated under Rule 14.07 of the Listing Rules in respect of the Acquisition exceeds 25% but is less than 100%, the Acquisition constitutes a major transaction of the Company under the Listing Rules. Since the Acquisition (i) involves an acquisition of governmental land in the PRC from a PRC Governmental Body (as defined under Listing Rules) through an auction governed by PRC Law; and (ii) is undertaken on a sole basis by the Group (being a “**qualified issuer**” as defined under Rule 14.04(10B) of the Listing Rules) in its ordinary and usual course of business, the Acquisition is regarded as a qualified property acquisition under Rule 14.04(10C) of the Listing Rules. Hence, the Acquisition is only subject to reporting and announcement requirement and is exempt from shareholders’ approval requirements pursuant to Rule 14.33A of the Listing Rules.

REASONS FOR AND BENEFITS OF THE ACQUISITION

The Board believes that the Acquisition complements the Group’s strategy in expanding its development in Henan Province and other first and second tier cities in the PRC. The Directors further consider that the Acquisition is transaction carried out in the ordinary and usual course of business and is on normal commercial terms, which is fair and reasonable and in the interests of the Company and its Shareholders as a whole.

LETTER FROM THE BOARD

The Company will continue to seek viable business opportunities in accordance with its overall strategy. The Company will make use of the Group's financial, human and technological resources to enhance its portfolio, asset base and brand image.

INFORMATION OF THE PARTIES

The Group is principally engaged in property development, property investment and management, hotel operations and securities trading and investment.

Henan Huaifu is a company established in the PRC, indirect wholly-owned subsidiary of the Company and property development company.

Land and Resources Bureau of Zhengzhou City, being the transferor of the land use rights of the Land Parcel, is a PRC Governmental Body and is responsible for, among other things, administering the examination and approval of land planning, assignment and transfer of the land use rights of the state-owned land in Zhengzhou City, Henan Province, the PRC, and the issue of various types of land certificates.

To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, Land and Resources Bureau of Zhengzhou City, its ultimate beneficial owners are third parties independent of the Company and its connected persons.

FINANCIAL EFFECTS OF THE ACQUISITION OF THE COMPANY

As the Group intends to use its own funds to finance the consideration of the Acquisition and accordingly it is expected that there would be no material financial effect on the Group's total assets and total liabilities upon completion of the Acquisition. The Company considers that there will not be any material effect on the earnings of the Group immediately upon the Acquisition. In view of the future prospects of the property market in Henan Province, the PRC, it is anticipated that the Acquisition will improve the Group's trading prospects in the future and the Directors consider the Acquisition will contribute to the revenue and earnings base of the Group upon completion of this property development project but the quantification of such contribution will depend on the future performance of the property market.

FINANCIAL AND TRADING PROSPECTS OF THE GROUP

Following completion of the Acquisition, the Group will continue to be principally engaged in the business of property development, property investment and management, hotel operation, and look for investment opportunities which strengthen profitability under the acceptable risk in Hong Kong, the PRC and overseas markets.

The Group will primarily finance the repayments on existing financial assistance from Zensun through proceeds from the pre-sale and sale of Group's properties, internally generated cash flows from other operations, and borrowings from commercial banks and financial institutions. Going forward, the Group believes our future fund needs in support of project construction and land acquisition activities will be satisfied by the above-mentioned sources and additional issuance of equity securities or other capital market instruments.

LETTER FROM THE BOARD

The Group seeks to manage the level of our liquid assets to ensure the availability of sufficient cash flows to meet any unexpected cash requirements arising from our business. The Group will also continue to assess available financial resources in support of our business needs on an ongoing basis and plan and adjust our development schedule or implement cost control measures if necessitated by our then-existing financial conditions and cash requirements.

The Group intends to continue to access existing capital resources, and to seek new sources of funding, to maintain and grow our business on a cost-effective basis.

The United States

LETTER FROM THE BOARD

1. *GMR*

The Group has continued providing REIT management services and receiving recurring management fees directly to and from GMR pursuant to the revised management agreement between GMR and IAM. During the first half of 2018, GMR completed 6 acquisitions of medical and healthcare facilities and continuously enlarged its asset base. Other operations

The Group will regularly review the Singapore property market to explore business opportunity in this market in the foreseeable future. For the non-core Japan hotel business, while the Group is seeking potential buyers to dispose the hotels or operation to enable the Group to deploy its resources in the most efficient way, it is actively seeking ways to enhance its overall profitability with a view to enabling the operation to be self-sustainable.

Overall

The Company will make use of the Group's financial, human and technological resources to enhance its portfolio, asset base and brand image in the PRC, USA and overseas with business growth opportunities.

LISTING RULES IMPLICATIONS

As one of the applicable percentage ratios calculated under Rule 14.07 of the Listing Rules in respect of the Acquisition exceeds 25% but is less than 100%, the Acquisition constitutes a major transaction of the Company under the Listing Rules. Since the Acquisition (i) involves an acquisition of governmental land in the PRC from a PRC Governmental Body (as defined under Listing Rules) through an auction governed by PRC Law; and (ii) is undertaken on a sole basis by the Group (being a "qualified issuer" as defined under Rule 14.04(10B) of the Listing Rules) in its ordinary and usual course of business, the Acquisition is regarded as a qualified property acquisition under Rule 14.04(10C) of the Listing Rules. Hence, the Acquisition is only subject to reporting and announcement requirements and is exempt from shareholders' approval requirements pursuant to Rule 14.33A of the Listing Rules.

LETTER FROM THE BOARD

To the best of the knowledge, information, and belief of the Directors, after having made all reasonable enquiries, as no Shareholder has material interests in the Acquisition, no Shareholder would be required to abstain from voting if the Company is to convene a general meeting for approving the Acquisition. However, in accordance with the Listing Rules, the Acquisition is subject to reporting and announcement requirements but is exempt from Shareholders' approval requirements, the Company will not be required to convene an extraordinary general meeting for approving the Acquisition.

RECOMMENDATION

The Directors (including the independent non-executive Directors) consider that the terms of the Confirmation Notice and the Land Use Rights Grant Contract in respect of the Acquisition are fair and reasonable and in the interests of the Company and its Shareholders as a whole. None of the Directors have any material interest in the Acquisition and the Land Use Rights Grant Contract.

Accordingly, the Directors (including the independent non-executive Directors) would recommend the Shareholders to vote in favour of the resolution for approving the Acquisition if an extraordinary general meeting of the Company is required to be held to consider and approve the Acquisition.
