(the “Company”, “we”, “us”, “our”) closed a Purchase Agreement (the “Agreement”) with an unrelated party LTAC Landlord, LLC, a Nebraska limited liability company (“LTAC”), to acquire a 56-bed long term acute care hospital located at 1870 S 75th Street, Omaha, Nebraska (the “Facility”) for a purchase price of \$21.7 million (the “Purchase Price”). The Facility is operated by Select Specialty Hospital – Omaha, Inc. pursuant to a sublease which expires in 2022, with sublessee options to renew up to 60 years (the “operating lease”). Also, the real property where the Facility and other improvements are located are subject to a land lease with Catholic Health Initiatives, a Colorado nonprofit corporation (the “land lease”). The land lease expires in 2022 with sublessee options to renew up to 60 years. As part of our acquisition of the Facility, we will acquire the operating lease and the land lease and will become bound by the terms and conditions of these leases. Except with respect to specific contingencies, we do not have the right to terminate the Agreement without LTAC’s consent.

The material terms of the agreement provide for: (i) an initial deposit from us in the amount of \$200,000 that was paid on April 17, 2014 and shall be credited to the Purchase Price and is non-refundable except in limited circumstances; (ii) a property inspection period that expired on April 17, 2014; (iii) a closing date that shall occur on or before May 15, 2014, which we may extend until May 30, 2014 by depositing an additional \$200,000 with the title company that is acting as escrow agent for the transaction. The Company also deposited \$50,000 with the escrow agent for an additional extension from May 30, 2014 to June 5, 2014. The Agreement also contains additional customary covenants, representations and warranties.

The Company entered into a Term Loan and Security Agreement on June 5, 2014, (the “Loan”) with Capital One, National Association (the “Lender”) to borrower in the original principal amount (the “Principal”) of Fifteen Million Sixty Thousand and No/100 Dollars (\$15,060,000.00), which shall mature on the Scheduled Maturity Date. Lender has advanced the entire Principal amount of the Loan to Company. The proceeds of the Loan are being and shall be used to (i) acquire the real property and all other assets to be purchased under the Purchase Agreement; (ii) fund certain subaccounts; and (iii) pay transaction costs. Any excess proceeds, if any, may be used for any lawful purpose. No amount repaid in respect of the Loan may be re-borrowed.

The Loan shall bear interest at a rate per annum equal to Four and Ninety-one hundredths of one percent (4.91%) (the “Interest Rate”). Interest on the Loan shall be paid in arrears on the first (1st) day of each month and on the maturity of such Loan, whether by acceleration or otherwise.

Loan repayment shall begin on August 1, 2014, and on the first day of each calendar month thereafter, all accrued and unpaid interest on the outstanding principal balance of the Loan calculated at the Interest Rate; and in addition to the payment of interest, beginning on January 1, 2015, and on the first day of each calendar month thereafter, an Amortization Payment in the amount set forth in Schedule 2.3 of the Loan attached hereto; and the entire outstanding principal balance of the Promissory Note, together with accrued and unpaid interest and any other amounts due under the Loan Documents shall be due and payable on June 5, 2017 (the “Maturity Date”).

At Closing, Lender shall have fully earned and Company paid Lender, a non-refundable commitment fee of One Hundred Fifty Thousand Six Hundred and No/100 Dollars (\$150,600.00). Unless waived by Lender in writing, if any Principal, interest or other sum due under any Loan Document is not paid by Borrower on the date on which it is due, Company shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of such unpaid sum or the maximum amount permitted by Applicable Laws (the “Late Payment Charge”), in order to defray the

expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Such amount shall be secured by the Loan Documents. In the event the Loan is prepaid (in whole or in part) or is accelerated, the Early Termination Fee, if applicable shall be due and payable in full on the date of termination, together with all other Obligations, including without limitation all fees and Expenses due from Borrower to Lender. 1.3 Accounting Terms.

(a) Generally. All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP applied on a consistent basis, as in effect from time to time, except as otherwise specifically prescribed herein.

(b) Changes in GAAP. If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Loan Document, and Borrower or Lender shall so request, Lender and Borrower shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of Lender); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein; and (ii) Borrower shall provide to Lender financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP.

1.4 Rounding. Any financial ratios required to be maintained by Borrower pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

1.5 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern Standard time (daylight or standard, as applicable).

ARTICLE II. GENERAL LOAN TERMS

2.1 The Loan. Lender agrees to make a loan (the “*Loan*”) to Borrower in the original principal amount (the “*Principal*”) of Fifteen Million Sixty Thousand and No/100 Dollars (\$15,060,000.00), which shall mature on the Scheduled Maturity Date. Lender has advanced the entire Principal amount of the Loan to Borrower on the date hereof. Borrower acknowledges receipt of the Loan, the proceeds of which are being and shall be used to (i) acquire the Real Property and all other assets to be purchased under the Purchase Agreement; (ii) fund certain Subaccounts; and (iii) pay transaction costs. Any excess proceeds, if any, may be used for any lawful purpose. No amount repaid in respect of the Loan may be reborrowed.

2.2 Interest; Monthly Payments.

(a) Interest Rate. From and following the Closing Date, the Loan shall bear interest at a rate per annum equal to Four and Ninety-one hundredths of one percent (4.91%) (the "Interest Rate"). Interest on the Loan shall be paid in arrears on the first (1st) day of each month and on the maturity of such Loan, whether by acceleration or otherwise.

(b) Default Rate.

(i) After the occurrence and during the continuance of an Event of Default hereunder, the per annum effective rate of interest applicable to the Loan shall be increased to the Default Rate. All such increases may be applied retroactively to the date of the occurrence of the Event of Default. Borrower agrees that the Default Rate payable to Lender is a reasonable estimate of Lender's damages and is not a penalty.

(ii) All contractual rates of interest chargeable on outstanding principal under the Loans shall continue to accrue and be paid even after Default, an Event of Default, maturity, acceleration, judgment, bankruptcy, insolvency proceedings of any kind or the happening of any event or occurrence similar or dissimilar.

(c) [Reserved].

(d) Computation of Interest and Related Fees. All computations of interest and fees under the Loan Documents shall be made on the basis of a year of 360 days, as the case may be, and calculated for actual days elapsed. The date of funding of the Loan shall be included in the calculation of interest while the date of payment of the Loan shall be excluded from the calculation of interest. In no contingency or event whatsoever shall the aggregate of all amounts deemed interest hereunder and charged or collected pursuant to the terms of this Agreement exceed the highest rate permissible under any law which a court of competent jurisdiction shall, in a final determination, deem applicable hereto. In the event that such court determines Lender has charged or received interest hereunder in excess of the highest applicable rate, Lender shall apply, in its sole discretion, and set off such excess interest received by Lender against other Obligations due or to become due and such rate shall automatically be reduced to the maximum rate permitted by such law.

(e) Payments Generally. All payments to be made by Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or set-off. Except as otherwise expressly provided herein, all payments by Borrower hereunder shall be made in Dollars immediately available to Lender by 11:00 a.m., Eastern Standard time, on the date such payment is due, to Lender by deposit to such account as Lender may designate by written notice to Borrower. All payments received by Lender after 11:00 a.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by Borrower shall become due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be. Borrower hereby grants to Lender the right, in Lender's discretion, without notice to Borrower, to make (i) the Loan; and (ii) withdrawals from deposit accounts of Borrower with Lender to make payments on the Obligations, including any and all fees and Expenses, as and when due hereunder. Borrower acknowledges that Borrower's failure to maintain sufficient funds in any deposit account for payment of any of the Obligations, or Lender's failure to withdraw from any deposit account shall not relieve Borrower of any payment obligation under this Agreement or any other Loan Document. Notwithstanding the foregoing, Borrower, at its option, may make payments from accounts other than deposit accounts with Lender.

(f) Capital Adequacy. In the event that Lender, subsequent to the Closing Date, determines in the exercise of its reasonable business judgment that (i) any change in applicable Law regarding capital adequacy; (ii) any change in the interpretation or administration thereof; or (iii) compliance by Lender with any new request or directive regarding capital adequacy (whether or not having the force of law) of any central bank or other governmental or regulatory authority, has or would have the effect of reducing the rate of return on Lender's capital as a consequence of its obligations hereunder to a level below that which Lender could have achieved but for such change or compliance (taking into consideration Lender's policies with respect to capital adequacy) by an amount deemed material by Lender in the exercise of its reasonable business judgment. Borrower agrees to pay to Lender, no later than five (5) calendar days following demand by Lender, such additional amount or amounts as will compensate Lender for such reduction in rate of return. In determining such amount or amounts, Lender may use any reasonable averaging or attribution methods. The protection of this Section 2.2(f) shall be available to Lender regardless of any possible contention of invalidity or inapplicability with respect to the applicable Law. A certificate of Lender setting forth in reasonable detail the change and such amount or amounts as shall be necessary to compensate Lender with respect to this Section 2.2(f) and the calculation thereof, when delivered to Borrower, shall be conclusive and binding on Borrower absent manifest error. In the event Lender exercises its rights pursuant to this Section 2.2(f), and subsequent thereto determines that the amounts paid by Borrower exceeded the amount which Lender actually required to compensate Lender for any reduction in rate of return on its capital, such excess shall be returned to Borrower by Lender.

(g) Taxes. Any and all payments by Borrower hereunder and under the other Loan Documents shall be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding taxes imposed on Lender's income, and franchise taxes imposed on Lender by the law or regulation of any Governmental Authority (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to in this Section 2.2(g) as "**Applicable Taxes**"). If Borrower shall be required by law to deduct any Applicable Taxes from or in respect of any sum payable hereunder to Lender, the following shall apply: (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.2(g), Lender receives an amount equal to the sum it would have received had no such deductions been made; (ii) Borrower shall make such deductions; and (iii) Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with Applicable Laws. Payments pursuant to this Section 2.2(g) shall be made within ten (10) calendar days after the date Lender makes written demand therefor. After prior notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application of any Taxes or other charges, provided that (A) no Default or Event of Default has occurred and is continuing; (B) such proceeding shall suspend the collection of the Taxes or such other charges; (C) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder; (D) no part of or interest in the Property will be in danger of being sold, forfeited, terminated, canceled or lost; (E) Borrower shall have furnished such security as may be required in the proceeding, or as may be requested by Lender, to insure the payment of any such Taxes or other charges, together with all interest and penalties thereon, which shall not be less than one hundred twenty-five percent (125%) of the Taxes and other charges being contested; and (F) Borrower shall promptly upon final determination thereof pay the amount of such Taxes or other charges, together with all costs, interest and penalties. Lender may pay over any such security or part thereof held by Lender to the claimant entitled thereto at any time when, in the judgment of Lender, the entitlement of such claimant is established.

(h) Breakage Indemnity. Borrower shall indemnify Lender against any loss or expense which Lender may actually sustain or incur in liquidating or redeploying deposits from third parties acquired to effect or maintain the Loan or any part thereof as a consequence of any default in payment or prepayment of the Principal or any part thereof or interest accrued thereon, as and when due and payable (at the date thereof or otherwise, and whether by acceleration or otherwise). Lender shall deliver to Borrower a statement reasonably detailing the amount of such loss or expense which it is entitled to receive pursuant to this Section 2.2(h), which statement shall be binding and conclusive absent manifest error. Borrower's obligations under this Section 2.2(h) are in addition to Borrower's obligations to pay any Early Termination Fee applicable to a payment or prepayment of Principal.

(i) Auto Debit. Lender shall debit the Collection Account for monthly principal and interest payments on each Payment Date unless other arrangements are agreed to in writing. In the event that the funds maintained by Borrower in the Collection Account are insufficient for any payment due hereunder, Lender may charge any other account of Borrower with Lender for any such payment due.

2.3 Loan Repayment. Borrower shall repay principal and interest under this Agreement as follows:

(a) beginning on August 1, 2014 (the "**First Payment Date**") and on the first day of each calendar month thereafter (each such date, including the First Payment Date, a "**Payment Date**"), all accrued and unpaid interest on the outstanding principal balance of the Loan calculated at the Interest Rate; and

(b) in addition to the payment of interest described in subparagraph (a) above, a payment (each, an "**Amortization Payment**") on each Payment Date in the amount set forth in Schedule 2.3 attached hereto; and

(c) the entire outstanding principal balance of the Promissory Note, together with accrued and unpaid interest and any other amounts due under the Loan Documents shall be due and payable on the Scheduled Maturity Date.

2.4 Application of Proceeds. Except during the continuance of an Event of Default, all proceeds of any repayment, including any prepayments of the Loan, shall be applied by Lender as follows in the following order of priority: First, to any Early Termination Fee and any other amounts then due and owing under the Loan Documents (including Expenses); Second, accrued and unpaid interest at the Interest Rate; and Third, to Principal. During the continuance of an Event of Default, all proceeds of repayment, including any payment or recovery on the Property (whether through foreclosure, deed-in-lieu of foreclosure, or otherwise) shall, unless otherwise provided in the Loan Documents, be applied in such order and in such manner as Lender shall elect in Lender's discretion.

2.5 Optional Prepayment. The Loan may not be prepaid in whole or in part prior to the second (2nd) anniversary of the Closing Date. Following the second anniversary of the Closing Date, Borrower, at its option, may prepay the Loan at any time, in whole (but not in part) on at least thirty (30) calendar days but not more than sixty (60) calendar days advance written notice, provided that on the date of such prepayment that is not during the Open Prepayment Period, there shall be due and payable (a) accrued interest on the principal so prepaid to the date of the next Payment Date; (b) the Early Termination Fee to the extent applicable; and (c) all other fees, Expenses and Obligations due and owing under this Agreement and the other Loan Documents. For the avoidance of doubt, if the Loan shall, for any reason, be prepaid or accelerated at any time subsequent to the second (2nd) anniversary of the Closing but excluding the Open Prepayment Period, in addition to paying all other amounts due and

payable hereunder, Borrower shall pay to Lender the Early Termination Fee as liquidated damages for such prohibited prepayment.

2.6 [Reserved].

2.7 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, Lender;

(ii) impose on Lender any other condition affecting this Agreement or the Loan or participation therein; or

(iii) subject Lender to any taxes on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; and the result of any of the foregoing shall be to increase the cost to Lender of making or maintaining the Loan (or of maintaining its obligation to make the Loan) or to reduce the amount of any sum received or receivable by Lender hereunder (whether of principal, interest or otherwise), then Borrower will pay to Lender such additional amount or amounts as will compensate Lender for such additional costs incurred or reduction suffered.

(b) If Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on Lender's capital or on the capital of Lender's holding company, if any, as a consequence of this Agreement or the Loan to a level below that which Lender or Lender's holding company could have achieved but for such Change in Law (taking into consideration Lender's policies and the policies of Lender's holding company with respect to capital adequacy), then from time to time Borrower will pay to Lender such additional amount or amounts as will compensate Lender or Lender's holding company for any such reduction suffered.

(c) A certificate of Lender setting forth the amount or amounts necessary to compensate Lender or its holding company, as the case may be, as specified in subparagraph (a) or (b) of this Section shall be delivered to Borrower and shall be conclusive absent manifest error. Borrower shall pay Lender the amount shown as due on any such certificate within ten (10) calendar days after receipt thereof.

(d) Failure or delay on the part of Lender to demand compensation pursuant to this Section shall not constitute a waiver of Lender's right to demand such compensation; provided that Borrower shall not be required to compensate Lender pursuant to this Section for any increased costs or reductions incurred more than two hundred seventy (270) days prior to the date Lender notifies Borrower of the Change in Law giving rise to such increased costs or reductions and of Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

2.8 Evidence of Indebtedness. The Loan made by Lender shall be evidenced by a Promissory Note payable to Lender. Lender may attach schedules to its Promissory Note and endorse thereon the date, amount and maturity of the Loan and payments with respect thereto.

2.9 [Reserved].

2.10 Fees.

(a) Commitment Fee. At Closing, Lender shall have fully earned and Borrower shall unconditionally pay to Lender, a non-refundable commitment fee of One Hundred Fifty Thousand Six Hundred and No/100 Dollars (\$150,600.00).

(b) Late Payment Charge. Unless waived by Lender in writing, if any Principal, interest or other sum due under any Loan Document is not paid by Borrower on the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of such unpaid sum or the maximum amount permitted by Applicable Laws (the "**Late Payment Charge**"), in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Such amount shall be secured by the Loan Documents.

(c) Early Termination Fee. In the event the Loan is prepaid (in whole or in part) or is accelerated, the Early Termination Fee, if applicable shall be due and payable in full on the date of termination, together with all other Obligations, including without limitation all fees and Expenses due from Borrower to Lender.

(d) Fee Computation. All fees hereunder shall be computed on the basis of a year of 360 days and for the actual number of days elapsed in each calculation period, as applicable. All fees hereunder shall be non-refundable and deemed fully earned when due and payable.

2.11 Cross Collateralization. The obligations of Borrower and Sponsor under this Agreement, the Promissory Note, the Loan Documents, or otherwise are secured by any other security interests, mortgages, pledges, liens, assignments and encumbrances that expressly state that they secure the Obligations.

ARTICLE III. RESERVES AND CASH MANAGEMENT

3.1 Reserves.

(a) Borrower agrees to establish and maintain all of the reserves and escrows required in this Article III. All sums so reserved or escrowed shall be held in separate deposit accounts established and maintained with Lender and no such sums shall be deemed to be held in trust for the benefit of Borrower. No interest shall be payable on any funds so reserved or escrowed. All sums so reserved or escrowed shall be part of the Collateral and shall stand as additional security for all of the Obligations. If Lender at any time reasonably determines that the amount on deposit in any reserve or escrow pursuant to this Article III is insufficient for its intended purposes, Borrower shall, within ten (10) calendar days following notice from Lender, deposit such additional sums as may be required by Lender. After the occurrence of an Event of Default, Lender may, at its discretion, apply amounts on hand in the reserves or escrows to cure such Event of Default. Upon demand of Lender, Borrower shall replenish the applicable reserve or escrow to restore any sums so applied by Lender.

(b) As additional security for the payment and performance of the Obligations, Borrower hereby unconditionally and irrevocably assigns, conveys, pledges, mortgages, transfers, delivers, deposits, sets over and confirms unto Lender, and hereby grants to Lender a security interest in all sums on deposit or due under the Loan Documents including, without limitation, (i) the Tax and Insurance Account, and the Capital Replacement Reserve (collectively, the "**Reserves**"); (ii) the accounts into which the Reserves have been deposited; (iii) all insurance on said accounts; (iv) all accounts, contract rights and general intangibles or other rights and interests pertaining thereto; (v) all sums now or

hereafter therein or represented thereby; (vi) all replacements, substitutions or proceeds thereof; (vii) all instruments and documents now or hereafter evidencing the Reserves or such accounts; (viii) all powers, options, rights, privileges and immunities pertaining to the Reserves (including the right to make withdrawals therefrom); and (ix) all proceeds of the foregoing. Borrower hereby authorizes and consents to the account into which the Reserves have been deposited being held in Lender's name or the name of any entity servicing the Loan for Lender and hereby acknowledges and agrees that Lender, or at Lender's election, such servicing agent, shall have exclusive control over said account. Upon the occurrence of an Event of Default, Lender may, without notice or demand on Borrower, at its option: (A) withdraw any or all of the funds (including, without limitation, interest) then remaining in the Reserves and apply the same, after deducting all costs and expenses of safekeeping, collection and delivery (including, but not limited to, reasonable attorneys' fees, costs and expenses) to the Obligations in such manner as Lender shall deem appropriate in its discretion, and the excess, if any, shall be paid to Borrower; (B) exercise any and all rights and remedies of a secured party under any applicable UCC; or (C) exercise any other remedies available at law or in equity. No such use or application of the funds contained in the Reserves shall be deemed to cure any Default or Event of Default.

(c) The Reserves are solely for the protection of Lender and entail no responsibility on Lender's part beyond the payment of the respective costs and expenses in accordance with the terms of this Agreement and beyond the allowing of due credit for the sums actually received. Upon full payment of the Obligations in accordance with the terms of this Agreement or at such earlier time as Lender may elect, the balance in the Reserves then in Lender's possession shall be paid over to Borrower and no other party shall have any right or claim thereto.

(d) Lender may require, at its option that the Reserves be in the form of sight draft letters of credit issued by Lender (or another institution designated by Lender) rather than in cash deposits on such terms as are satisfactory to Lender.

3.2 Cash Management. Borrower covenants and agrees that it will comply with the following terms and conditions:

(a) Borrower has established account no. 7527818464 maintained with Lender (the "**Collection Account**"), which Collection Account shall be under the sole and exclusive control of Lender. Borrower shall execute with Lender a deposit account control agreement for the Collection Account in form and substance acceptable to Lender. Borrower hereby authorizes Lender to automatically debit the Collection Account for the payment of any amounts due hereunder, or under the Mortgage, or under any other Loan Documents, and Borrower hereby agrees that it will have no right to withdraw funds from, or otherwise give instructions with respect to, the Collection Account. Borrower shall notify Operator and each other Account Debtor that all Rents, additional rent and all other amounts payable to Borrower with respect to the Healthcare Facility pursuant to the Operating Lease or any other agreement with respect to the Healthcare Facility, or any other Accounts owing to Sponsor, must be wired or deposited directly into the Collection Account. Absent the occurrence and continuance of an Event of Default, on each Payment Date, Lender shall apply all funds on deposit in the Collection Account at such time as follows: First, to pay any Expenses or indemnities then due to Lender under the Loan Documents, until paid in full; Second, to pay any fees or premiums then due to Lender under the Loan Documents, until paid in full; Third, to pay the accrued but unpaid interest payment due on such date under Section 2.3(a), until paid in full; Fourth, to pay the Amortization Payment due on such date under Section 2.3(b), until paid in full; Fifth, to pay the amounts owing on such date with respect to the Tax and Insurance Account and Capital Replacement Reserve, in accordance with Sections 3.4 and 3.5, until paid in full; Sixth, to pay any other Obligations then due and owing under the Loan Documents, until paid in full; and Seventh, all remaining funds in the Collection Account on the third (3rd) Business Day after each Payment Date shall be transferred by Lender to the Operating Account.

(b) Borrower has established account no. 7527818456 maintained with Lender (the “*Operating Account*”). Until the occurrence of an Event of Default, Borrower may give instructions regarding the disposition of funds in the Operating Account for any purpose not prohibited by the terms and conditions of this Agreement or the other Loan Documents.

(c) In the event that Borrower receives any Collections that should have been sent to the Collection Account, Borrower shall promptly upon receipt (and in any event within three(3) Business Day of receipt) forward such Collections directly to the Collection Account in the form received, and promptly notify Lender of such event.

(d) Borrower will not (i) withdraw any amounts from the Collection Account, nor (ii) change the procedures or sweep instructions under the agreements governing the Collection Account and related accounts. Borrower shall use its commercially reasonable efforts to cause Operator to cooperate with Lender in the identification and reconciliation of all amounts received in or required to be deposited into the Collection Account.

(e) Borrower agrees that all payments made to the Collection Account or otherwise received by Lender, whether in respect of the Rents or as proceeds of other Collateral or otherwise, and all amounts on deposit in the Operating Account, the Collection Account or any other deposit accounts of the Credit Parties maintained with Lender, may be applied on account of the Obligations at the discretion of Lender after the occurrence of an Event of Default.

(f) The Net Proceeds from any Asset Disposition and, subject to the terms of this Agreement, any proceeds of insurance or condemnation awards paid in respect of any Casualty Loss, in each case with respect to any property or assets of Borrower, will be paid directly into the Casualty/Condemnation Account of the Collection Account.

3.3 [Reserved].

3.4 Taxes and Insurance.

(a) Subject to clause (b) of this Section 3.4, Borrower shall pay (or shall cause Operator to pay) to Lender on each Payment Date (i) one-twelfth of the Taxes that Lender reasonably estimates will be payable during the next twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) calendar days prior to their respective due dates; and (ii) one-twelfth (1/12th) of the Insurance Premiums that Lender reasonably estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) calendar days prior to the expiration of the Policies. Such amounts will be deposited into a separate account with Lender or transferred by Lender to a Subaccount (in either event, the “*Tax and Insurance Account*”). Provided that no Default or Event of Default has occurred and is continuing, Lender will (a) apply funds in the Tax and Insurance Account to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Sections 2.2(g) and 7.5, provided that Borrower shall have promptly supplied Lender with notices of all Taxes and Insurance Premiums due; or (b) reimburse Borrower for such amounts upon presentation of evidence of payment by Borrower or Operator; subject, however, to Borrower’s right to contest Taxes in accordance with Section 2.2(g). In making any payment relating to Taxes and Insurance Premiums, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If Lender determines in its reasonable judgment that the funds in the Tax and Insurance Account will be insufficient to pay (or in excess of) the

Taxes or Insurance Premiums next coming due, Lender may increase (or decrease) the monthly contribution required to be made by Borrower to the Tax and Insurance Account.

(b) Notwithstanding anything to the contrary set forth in this Section 3.4, Lender shall not require Borrower to make the monthly deposits into the Tax and Insurance Account for Taxes and Insurance Premiums provided that: (i) no Default has occurred; (ii) Operator is in compliance with the material terms of its respective Operating Lease; (iii) the Property, Borrower and Operator, as applicable, is covered by policies of insurance described in Section 7.5(a) of this Agreement that remain in full force and effect and comply with the requirements set forth in Section 7.5(b) of this Agreement; (iv) no less than thirty (30) calendar days prior to the expiration date thereof, Borrower delivers to Lender evidence that the Insurance Premiums for the policies described in sub-clause (ii) above have been paid for the corresponding period, such evidence to include, without limitation, an insurance certificate and updated insurance binder; and (v) no less than thirty (30) calendar days prior to the respective due date of the Taxes, Borrower deliver to Lender evidence that such Taxes have been paid in full, such evidence to include, without limitation, copies of the tax bills and paid tax receipts or a copy of the cashed check or credit card receipt, unless the same are being contested in good faith by appropriate proceedings (diligently conducted) and adequate reserves in accordance with GAAP are being maintained by Borrower. Upon a violation of any of the requirements in the preceding sentence, Lender, at its option, may thereafter require that Borrower makes deposits into the Tax and Insurance Account as otherwise contemplated by this Section 3.4.

3.5 Capital Replacement Reserve. Following Lender's reasonable determination that Borrower or Operator is not maintaining the Property in the manner required by the Loan Documents or upon the occurrence of a Default or Event of Default, Borrower shall deposit or shall cause Operator to Deposit to Lender on each Payment Date, a monthly amount sufficient to maintain the proper maintenance and operation of the Property, which shall be escrowed with and held by Lender in a capital replacement reserve ("**Capital Replacement Reserve**"). So long as no Default or Event of Default exists hereunder or will be caused thereby, the funds contained in the Capital Replacement Reserve shall be utilized to reimburse Borrower solely for capital expenditures of Borrower or Operator approved in advance by Lender in writing, which approval shall not be unreasonably withheld or delayed; provided, however, that after giving effect to the release of the funds from the Capital Replacement Reserve, Credit Parties shall continue to be in compliance with the financial covenants set forth in Article IX hereof. Lender shall reimburse Borrower or, if directed by the Borrower, Operator from the Capital Replacement Reserve for the actual cost of such approved capital expenditures upon Borrower's providing Lender with paid receipts, lien waivers and other documentation deemed reasonably necessary by Lender.

ARTICLE IV. COLLATERAL

4.1 Grant of Security Interests. As security for the performance and prompt payment in full in cash of all Obligations, and as further security for the payment and performance by Borrower, Borrower (or if referring to another Person, such Person) hereby pledges and grants to Lender a First Priority Lien upon, and security interest in, any and all assets and rights and interests in or to property of Borrower, whether real or personal, tangible or intangible, in which a Lien is granted or purported to be granted pursuant to the Collateral Documents (collectively, the "**Collateral**"). Borrower shall not, without obtaining the prior written consent of Lender, further pledge, assign or grant any security interest in any of its property, or permit any Lien to attach thereto, or any levy to be made thereon, or any UCC Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto. This Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC.

4.2 Lien on Realty. The due and punctual payment and performance of the Obligations shall also be secured by the Lien created by the Mortgage upon the real property of Borrower described therein. Borrower shall not acquire at any time or times hereafter any fee simple interest in other real property without the prior written consent of Lender. Borrower agrees promptly to execute and deliver to Lender, as additional security and Collateral for the Obligations, a Mortgage and such other usual and customary documents and insurance policies, satisfactory in form and substance to Lender, with respect to such real property.

4.3 Representations and Covenants Regarding Collateral.

(a) **Representations and Warranties.** Borrower represents and warrants to Lender that except for the Permitted Encumbrances, (i) upon the filing of UCC financing statements covering the Collateral in all required jurisdictions, this Agreement creates a valid, perfected, First Priority and exclusive security interest in all personal property of Borrower as to which perfection may be achieved by filing; (ii) Lender's security interests in the Collateral constitute, and will at all times constitute, First Priority and exclusive Liens on the Collateral; and (iii) Borrower is, or will be at the time additional Collateral is acquired by Borrower, the absolute owner of such additional Collateral with full right to pledge, sell, transfer and create a security interest therein, free and clear of any and all claims or Liens other than Permitted Encumbrances.

(b) **Covenants.** Borrower, at its expense, agrees to forever warrant and defend the Collateral from any and all claims and demands of any other Person, other than holders of Permitted Encumbrances.

ARTICLE VI. REPRESENTATIONS AND WARRANTIES

Borrower represents and warrants to Lender as of the date hereof that, except to the extent (if any) disclosed on Schedule 6 with reference to a specific Section of this Article VI:

6.1 Organization. Borrower and Sponsor have been duly organized and are validly existing and in good standing under the laws of the state of its formation, with requisite power and authority, and all rights, licenses, permits and authorizations, governmental or otherwise, necessary to own its properties and to transact the business in every state in which it is now engaged. Borrower and Sponsor are duly qualified to do business and are in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, business and operations. Borrower is and always has been a Special Purpose Entity.

6.2 Authorization; Enforceability. Borrower and Sponsor have taken all necessary action to authorize the execution, delivery and performance of the Loan Documents executed and delivered by it. The Loan Documents are not subject to, and neither Borrower nor Sponsor asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

6.3 No Conflicts. The execution, delivery and performance of the Loan Documents by Borrower and Sponsor and the transactions contemplated thereby will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any Lien (other than pursuant to the Loan Documents) upon any of the properties and assets of Borrower and Sponsor pursuant to the terms of, any agreement or instrument to which Borrower is a party or by which its property is subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or any of its properties. Any consent, approval, authorization, order, registration or qualification of or with any Governmental Authority required for the execution, delivery and performance by Borrower and Sponsor of the Loan Documents has been obtained and is in full force and effect.

6.4 Litigation. There are no actions, suits or other proceedings at law or in equity by or before any Governmental Authority now pending or threatened in writing against or affecting Borrower, Sponsor, the Healthcare Facility, or, to the knowledge of Borrower, any Operator Party, which, if adversely determined, might, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

6.5 No Defaults. No event or circumstance has occurred or exists that constitutes a Default or Event of Default. No Credit Party is in material default, and no event or circumstance has occurred or exists that with the passage of time or giving of notice would constitute a default, under any Material Contract or in the payment of any Permitted Indebtedness. There is no basis upon which any party (other than Borrower) could terminate a Material Contract prior to its scheduled termination date. Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Permitted Lien or any other agreement or instrument to which it is a party or by which it, the Healthcare Facility or the Collateral is bound.

6.6 Restrictive Agreement. Borrower is not a party to any Restrictive Agreement (other than a Restrictive Agreement entered into in connection with a purchase or lease of fixed or capital assets, including real property, that prohibits Liens on such fixed or capital assets, including real property) or any other agreement or instrument, or subject to any restriction, which might adversely affect Borrower, any the Collateral or the Healthcare Facility, or Borrower's business, properties, operations or condition, financial or otherwise.

6.7 Title. Borrower has good, marketable and leasehold title to its respective Real Property, free and clear of all Liens except the Permitted Encumbrances. All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by Borrower or any other Person under applicable Legal Requirements in connection with the transfer of the Real Property to Borrower have been paid. Each Mortgage when properly recorded in the appropriate records, together with any UCC Financing Statements required to be filed in connection therewith, will create (a) a valid, perfected First Priority Lien on Borrower's interest in the applicable Collateral; and (b) valid and perfected First Priority security interests in and to, and perfected collateral assignments of, all applicable personalty (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances. All mortgage, recording, stamp, intangible or other similar taxes required to be paid by Borrower or any other Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Loan Documents have been paid. The Permitted Encumbrances do not materially adversely affect the value, operation or use of any Real Property, or Borrower's ability to repay the Loan. No condemnation or other proceeding has been commenced or, to any Credit Party's best knowledge, is contemplated with respect to all or part of the Real Property or for the relocation of roadways providing access to any of the Real Property. There are no claims for payment for work, labor or materials affecting any of the Real Property which are or may become a Lien prior to, or of equal priority with, the Liens created by the Loan

Documents. There are no outstanding options to purchase or rights of first refusal affecting all or any portion of the Real Property. The surveys for the Real Property delivered to Lender do not fail to reflect any material matter affecting any Real Property or the title thereto. All of the Improvements included in determining the appraised value of the Real Property lie wholly within the boundaries and building restriction lines of the Real Property, and no improvement on an adjoining property encroaches upon the Real Property, and no easement or other encumbrance upon the Real Property encroaches upon any of the improvements, except those insured against by the Title Insurance Policy. Each parcel comprising the Real Property is a separate tax lot and is not a portion of any other tax lot that is not a part of the applicable Real Property. There are no pending or proposed special or other assessments for public improvements or otherwise affecting the Real Property, or any contemplated improvements to the Real Property that may result in such special or other assessments. With respect to the Title Insurance Policies, (i) the Title Insurance Policies are in full force and effect; (ii) the Title Insurance Policies are freely assignable by Lender to and will inure to the benefit of the transferee (subject to recordation of an assignment of mortgage) without the consent or any notification to the insurer; (iii) the premium with respect thereto has been paid in full (or will be paid in full with a portion of the proceeds of the Loan); (iv) the Title Insurance Policy is issued by a title insurance company licensed to issue policies in the state of Nebraska; (v) no claims have been made under the Title Insurance Policy and no other action has been taken that would materially impair the Title Insurance Policy; and (vi) the Title Insurance Policies contains no exclusions except as may be permitted by Lender.

6.8 No Bankruptcy Filing. None of Borrower, Sponsor, or, to the knowledge of Borrower, any Operator Party is contemplating either the filing of any Insolvency Proceeding. Neither Borrower nor Sponsor has any knowledge of any Person contemplating the filing of any such petition against Borrower, Sponsor, or any Operator Party.

6.9 Solvency. Borrower and Sponsor are Solvent.

6.10 Full and Accurate Disclosure. No statement of fact made by Borrower or Sponsor in any Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein not misleading. There is no material fact presently known to Borrower or Sponsor that has not been disclosed to Lender which adversely affects, or, as far as Borrower or Sponsor can foresee, might adversely affect, the Healthcare Facility or the business, operations or condition (financial or otherwise) of Borrower, Sponsor or any Operator Party. All financial data, including the statements of cash flow and income and operating expense, that have been delivered to Lender in respect of Borrower, Sponsor, and the Healthcare Facility (i) are true, complete and correct in all material respects; (ii) accurately represent the financial condition of Borrower, Sponsor and the Healthcare Facility as of the date of such reports; and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Neither Credit Party has any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments, unrealized or anticipated losses from any unfavorable commitments or any liabilities or obligations not expressly permitted by this Agreement. Since the date of such financial statements, there has been no material adverse change in the financial condition, operations or business of Borrower, Sponsor, or the Healthcare Facility from that set forth in said financial statements. Borrower and Sponsor have disclosed to Lender all agreements, instruments and corporate or other restrictions to which Borrower or Sponsor is subject, and all other matters known to Borrower and Sponsor, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect.

6.11 Tax Filings. To the extent required, Borrower and Sponsor have filed (or have obtained effective extensions for filing) all federal, state and local tax returns required to be filed and have paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments

payable by Borrower and Sponsor. Borrower and Sponsor believe that their tax returns (if any) properly reflect the income and taxes of Borrower and Sponsor for the periods covered thereby, subject only to reasonable adjustments required by the IRS or other applicable tax authority upon audit.

6.12 No Plan Assets. As of the Closing Date and at all times thereafter (a) no Credit Party is and will not be an “employee benefit plan,” as defined in Section 3(3) of ERISA; (b) none of the assets of any Credit Party constitutes or will constitute “plan assets” of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101; (c) Borrower is not and will not be a “governmental plan” within the meaning of Section 3(32) of ERISA; and (d) transactions by or with Borrower are not and will not be subject to state statutes regulating investment of, and fiduciary obligations with respect to, governmental plans. As of the date hereof, neither Borrower, nor any member of a “controlled group of corporations” (within the meaning of Section 414 of the Code) maintains, sponsors or contributes to a “defined benefit plan” (within the meaning of Section 3(35) of ERISA) or a “multiemployer pension plan” (within the meaning of Section 3(37)(A) of ERISA).

6.13 Compliance. Borrower, Sponsor and, to the knowledge of Borrower, each Operator Party is in compliance in all material respects with the requirements of all Laws and all Governmental Authorizations applicable to it or to its properties, except in such instances in which (a) such requirement of Law or order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted; or (b) the failure to comply therewith, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

6.14 Contracts. There are no service, maintenance, repair or property management contracts affecting or other contracts affecting the Real Property entered into by Borrower other than the Ground Lease, the Operating Lease and the Loan Documents. .

6.15 Federal Reserve Regulations; Investment Company Act. No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any “margin stock” within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Laws or any Loan Document. No Credit Party is (a) an “investment company” or a company “controlled” by an “investment company,” within the meaning of the Investment Company Act of 1940, as amended; (b) a “holding company” or a “subsidiary company” of a “holding company” or an “affiliate” of either a “holding company” or a “subsidiary company” within the meaning of the Public Utility Holding Company Act of 2005, as amended; or (c) subject to any other Laws which purport to restrict or regulate its ability to borrow money.

No portion of the Real Property is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards. The improvements have suffered no material casualty or damage which has not been fully repaired and the cost thereof fully paid.

6.18 Fraudulent Transfer. Borrower has not entered into the Loan or any Loan Document with the actual intent to hinder, delay, or defraud any creditor, and Borrower has not received reasonably equivalent value in exchange for its obligations under the Loan Documents. Giving effect to the transactions contemplated by the Loan Documents, the fair saleable value of Borrower's assets exceeds and will, immediately following the execution and delivery of the Loan Documents, exceed Borrower's total probable liabilities, including subordinated, unliquidated, disputed or contingent liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the execution and delivery of the Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of Borrower).

6.19 Ownership of Borrower. A list of the holders of the Equity Interests of Borrower and Sponsor is set forth in Schedule 6.19 attached hereto and incorporated herein by reference, and no other Person has any rights and/or claim to any issued or unissued Equity Interests of Borrower and Sponsor, except as set forth on said Schedule 6.19.

All of such Healthcare Authorizations are valid and in full force and effect and Borrower and Sponsor are in material compliance with the terms and conditions of all such Healthcare Authorizations, except where failure to be in such compliance or for a Healthcare Authorization to be valid and in full force and effect would not reasonably be expected to have a Material Adverse Effect.

Borrower shall, and shall cause Sponsor to, pay and discharge as the same shall become due and payable, all its obligations and liabilities, including (a) all tax liabilities, sewer use fees, water rates, assessments and governmental charges or levies upon it or its properties or assets, unless the same are being contested in good faith by appropriate proceedings diligently conducted and adequate reserves in accordance with GAAP are being maintained by Borrower or Sponsor; (b) all lawful claims which, if unpaid, would by law become a Lien upon its property; and (c) all Indebtedness, as and when due and payable, but subject to any subordination provisions contained in any instrument or agreement evidencing such Indebtedness.

7.2 Preservation of Existence, Etc. Borrower shall, and shall cause Sponsor to, (a) preserve, renew and maintain in full force and effect its legal existence and good standing under the Laws of the jurisdiction of its organization; (b) take all reasonable action to maintain all rights, privileges, permits, licenses and franchises necessary or desirable in the normal conduct of its business, except to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect; and (c) preserve or renew all of its registered patents, trademarks, trade names and service marks, the non-preservation of which could reasonably be expected to have a Material Adverse Effect.

7.3 Maintenance of Properties. Borrower shall (a) maintain, preserve and protect all of its material properties and equipment necessary in the operation of its business in good working order and condition, ordinary wear and tear excepted; (b) make all necessary repairs thereto and renewals and replacements thereof except where the failure to do so could not reasonably be expected to have a Material Adverse Effect; and (c) use the standard of care typical in the industry in the operation and maintenance of its Healthcare Facility.

7.4 Access to Real Property. Subject to the rights of tenants, Borrower shall permit agents, representatives, consultants and employees of Lender to inspect the Real Property or any part thereof at reasonable hours upon reasonable advance notice.

7.5 Insurance.

(a) Coverage. Borrower, at its sole cost, for the mutual benefit of Borrower and Lender, shall obtain and maintain (or cause Operator to obtain and maintain) during the term of the Loan the following policies of insurance:

(i) Property insurance insuring against loss or damage customarily included under so called "all risk" or "special form" policies including fire, windstorm, lightning, vandalism, and malicious mischief, boiler and machinery and, if required by Lender, flood and/or earthquake coverage and subject to subsection (xi) below, coverage for damage or destruction caused by the acts of "Terrorists," both foreign and domestic (or such policies shall have no exclusion from coverage with respect thereto), and such other insurable hazards as, under good insurance practices, from time to time are insured against for other property and buildings similar to the premises in nature, use, location, height, and type of construction. Such insurance policy shall also insure for ordinance of law coverage, coverage for loss to the undamaged portion of the building, costs of demolition and increased cost of construction in amounts satisfactory to Lender. Each such insurance policy shall (A) be in an amount equal to 100% of the then replacement cost of the Improvements without deduction for physical depreciation; (B) have deductibles no greater than \$10,000 per occurrence; (C) be paid annually in advance; and (D) be on a replacement cost basis and contain both no coinsurance and an agreed amount endorsement, and shall cover, without limitation, all tenant improvements and betterments that Borrower is required to insure on a replacement cost basis. Lender shall be named Mortgagee and Lender's Loss Payee on a Standard Mortgagee Endorsement.

(ii) Flood insurance if any part of the Property is located in an area now or hereafter designated by the Federal Emergency Management Agency as a Zone "A" & "V" Special Hazard Area, or such other Special Hazard Area if Lender so requires in its sole discretion. Such policy shall (A) be in an amount equal to (1) 100% of the full replacement cost of the Improvements on the Property (without any deduction for depreciation); or (2) such other amount as agreed to by Lender; and (B) have a maximum permissible deductible of \$3,000.

(iii) Public liability insurance to be provided by both Borrower and Operator on an occurrence basis with no deductible or self-insured retention unless otherwise

approved by Lender in advance and in writing, including (A) acts of foreign and domestic terrorism, (B) “Commercial General Liability Insurance”; (C) “Owned”, “Hired” and “Non Owned Auto Liability”; and (D) umbrella liability coverage for personal injury, bodily injury, death, accident and property damage, such insurance providing in combination no less than containing minimum limits per occurrence of \$1,000,000 and \$3,000,000 in the aggregate for any policy year; together with at least \$5,000,000 excess and/or umbrella liability insurance for any and all claims. If the aggregate limit applying to the property is reduced by the payment of a claim or equal to or greater than fifty percent (50%) of the annual aggregate, Borrower shall arrange to have the aggregate limit restored by endorsement to the existing policy or the purchase of an additional insurance policy unless, in Lender’s reasonable judgment, Borrower maintains sufficient concurrent excess liability insurance to satisfy the liability requirements of this Agreement without the reinstatement of the aggregate limit. The policies described in this subsection shall also include coverage for elevators, escalators, independent contractors, “Contractual Liability” (covering, to the maximum extent permitted by law, Borrower’s Sponsor’s obligation to indemnify Lender as required under this Agreement and the other Loan Documents), “Products” and “Completed Operations Liability” coverage.

(iv) Evidence of professional liability insurance for Operator is to be provided with such insurance companies and in such reasonable amounts covering such insurable risks as are at all times satisfactory to Lender.

(v) Rental loss and/or business interruption insurance (A) with Lender being named as “Lender Loss Payee”; (B) in an amount equal to one hundred percent (100%) of the projected Rents from the Property during the event that caused the loss of income; and (C) containing at least a six (6) month extended period of indemnity endorsement which provides that after the physical loss to the Property has been repaired, the continued loss of income will be insured until such income either returns to the same level it was at prior to the loss, or the expiration of eighteen (18) months from the date that the Property is damaged or destroyed, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period. The amount of such insurance shall be increased from time to time during the term of the Loan as and when the estimated or actual Rents increase. Coverage shall include acts of foreign and domestic terrorism.

(vi) Comprehensive boiler and machinery insurance covering all mechanical and electrical equipment against physical damage, rent loss and improvements loss and covering, without limitation, all tenant improvements and betterments that Borrower is required to insure pursuant to the lease on a replacement cost basis and in an amount equal to 100% of the full replacement cost of the Improvements on such Property (without any deduction for depreciation).

(vii) Worker’s compensation and disability insurance with respect to any employees of Borrower, as required by any Legal Requirement.

(viii) During any period of repair or restoration, builder’s “all-risk” insurance on the so called completed value basis in an amount equal to not less than the full insurable value of the Property, against such risks (including fire and extended coverage and collapse of the Improvements to agreed limits) as Lender may request, in form and substance acceptable to Lender.

(ix) Coverage to compensate for ordinance of law the cost of demolition and the increased cost of construction in an amount satisfactory to Lender.

(x) Such other insurance (including, but not limited to, environmental liability insurance, earthquake insurance, sinkhole insurance, mine subsidence insurance and windstorm insurance) and such higher limits as may from time to time be reasonably required by Lender in order to protect its interests.

(xi) Notwithstanding anything in subsection (i) above to the contrary, Borrower shall be required to obtain and maintain (or cause Operator to obtain and maintain) coverage in its property insurance Policy (or by a separate Policy) against loss or damage by terrorist acts in an amount equal to 100% of the full replacement cost of the Property; provided that such coverage is available. In the event that such coverage with respect to terrorist acts is not included as part of the “all risk” property policy required by subsection (i) above, Borrower shall, nevertheless be required to obtain (or cause Operator to obtain) coverage for terrorism (as stand-alone coverage) in an amount equal to 100% of the full replacement cost of the Property; provided that such coverage is available. Notwithstanding the foregoing, with respect to any such stand-alone policy covering terrorist acts, Borrower shall not be required to pay any Insurance Premiums solely with respect to such terrorism coverage in excess of the Terrorism Premium Cap; provided that if the Insurance Premiums payable with respect to such terrorism coverage exceeds the Terrorism Premium Cap, Lender may, at its option (1) purchase such stand-alone terrorism Policy, with Borrower paying such portion of the Insurance Premiums with respect thereto equal to the Terrorism Premium Cap and Lender paying such portion of the Insurance Premiums in excess of the Terrorism Premium Cap; or (2) modify the deductible amounts, policy limits and other required policy terms to reduce the Insurance Premiums payable with respect to such stand-alone terrorism Policy to the Terrorism Premium Cap. As used herein (a) “**Terrorism Premium Cap**” means an amount equal to 150% of the aggregate Insurance Premiums payable with respect to all the insurance coverage under Section 7.5(a)(i) for the last policy year in which coverage for terrorism was included as part of the “all risk” property policy required by subsection (i) above, adjusted annually by a percentage equal to the increase in the Consumer Price Index; and (b) “**Consumer Price Index**” means the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor, New York Metropolitan Statistical Area, All Items (1982-84 = 100), or any successor index thereto, approximately adjusted, and in the event that the Consumer Price Index is converted to a different standard reference base or otherwise revised, the determination of adjustments provided for herein shall be made with the use of such conversion factor, formula or table for converting the Consumer Price Index as may be published by the Bureau of Labor Statistics or, if said Bureau shall not publish the same, then with the use of such conversion factor, formula or table as may be published by Prentice-Hall, Inc., or any other nationally recognized publisher of similar statistical information; and if the Consumer Price Index ceases to be published, and there is no successor thereto (a) such other index as Lender and Borrower shall agree upon in writing; or (b) if Lender and Borrower cannot agree on a substitute index, such other index, as selected by Lender. Borrower shall obtain (or cause Operator to obtain) the coverage required under this subsection (x) from a carrier which otherwise satisfies the rating criteria specified in Section 7.5(b) (a “**Qualified Carrier**”) or in the event that such coverage is not available from a Qualified Carrier, Borrower shall obtain (or cause Operator to obtain) such coverage from the highest rated insurance company providing such coverage.

(b) Policies. All Policies of insurance required pursuant to Section 7.5(a) shall (i) be issued by companies approved by Lender and licensed to do business in the state of Nebraska, with a claims paying ability rating of A or better by S&P (and the equivalent by any other Rating Agency), and a rating of A:X or better in the current Best’s Insurance Reports, unless otherwise approved by Lender in advance and in writing; (ii) name Lender and its successors and/or assigns as their interest may appear as the mortgagee (in the case of property insurance), lenders loss payee (in the case of business interruption/loss of rents coverage) and an additional insured (in the case of liability insurance); (iii) contain (in the case of property insurance) a Non-Contributory Standard Mortgagee Clause and a Lender’s Loss Payable Endorsement, or their equivalents, naming Lender as the Person to which all

payments made by such insurance company shall be paid; (iv) contain a waiver of subrogation against Lender; (v) be assigned and the originals thereof delivered to Lender; (vi) contain such provisions as Lender deems reasonably necessary or desirable to protect its interest, including (A) endorsements providing that none of Borrower, Lender or any other party shall be a co-insurer under the property Policies and, where available, liability policies; (B) that Lender shall receive at least thirty (30) calendar days' prior written notice of any cancellation of any of the Policies; (C) an agreement whereby the insurer waives any right to claim any premiums and commissions against Lender, provided that the policy need not waive the requirement that the premium be paid in order for a claim to be paid to the insured; and (D) providing that Lender is permitted to make payments to effect the continuation of such policy upon notice of cancellation due to non-payment of premiums; (vii) in the event any insurance policy (except for general public and other liability and workers compensation insurance) shall contain breach of warranty provisions, such policy shall provide that with respect to the interest of Lender, such insurance policy shall not be invalidated by and shall insure Lender regardless of (A) any act, failure to act or negligence of or violation of warranties, declarations or conditions contained in such policy by any named insured; (B) the occupancy or use of the premises for purposes more hazardous than permitted by the terms thereof; or (C) any foreclosure or other action or proceeding taken by Lender pursuant to any provision of the Loan Documents; and (viii) be satisfactory in form and substance to Lender and approved by Lender as to amounts, form, risk coverage, deductibles, loss payees and insureds. Borrower shall pay the Insurance Premiums for such Policies as the same become due and payable and furnish to Lender evidence of the renewal of each of the Policies together with (unless such Insurance Premiums have been paid by Lender pursuant to Section 3.4) receipts for or other evidence of the payment of the Insurance Premiums satisfactory to Lender. If Borrower does not furnish such evidence and receipts at least thirty (30) calendar days prior to the expiration of any expiring Policy, then Lender may, but shall not be obligated to, procure such insurance and pay the Insurance Premiums therefor, and Borrower shall reimburse Lender for the cost of such Insurance Premiums promptly on demand, with interest accruing at the Default Rate. Borrower shall deliver to Lender a certified copy of each Policy within thirty (30) calendar days after its effective date. Within thirty (30) calendar days after request by Lender, Borrower shall obtain (or cause Operator to obtain) such increases in the amounts of coverage required hereunder as may be requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices, and the like.

(c) Casualty.

(i) Notice; Restoration. If the Property is damaged or destroyed, in whole or in part, by fire or other casualty (a "**Casualty**"), Borrower shall give notice thereof to Lender within two (2) calendar days. Following the occurrence of a Casualty, Borrower, regardless of whether insurance proceeds are available, shall promptly proceed to restore, repair, replace or rebuild the Property in accordance with Legal Requirements to be of at least equal value and of substantially the same character as prior to such damage or destruction.

(ii) Settlement of Proceeds. If a Casualty covered by any of the Policies (an "**Insured Casualty**") occurs where the loss does not exceed One Hundred Thousand and No/100 Dollars (\$100,000.00) (a "**Minor Casualty**"), provided no Default or Event of Default has occurred and is continuing, Borrower may settle and adjust any claim without the prior consent of Lender; provided such adjustment is carried out in a competent and timely manner, and Borrower is hereby authorized to collect and receive the insurance proceeds (the "**Proceeds**"), with respect to such Minor Casualty. In the event of an Insured Casualty where the loss equals or exceeds One Hundred Thousand and No/100 Dollars (\$100,000.00) (a "**Significant Casualty**"), Lender may, in its sole discretion, settle and adjust any claim without the consent of Borrower and agree with the insurer(s) on the amount to be paid on the loss, and the Proceeds shall be due and payable solely to Lender and held by Lender in the Casualty/Condemnation Account and disbursed in accordance herewith. If Borrower or any party other than Lender is a payee on

any check representing Proceeds with respect to a Significant Casualty, Borrower shall immediately endorse, and cause all such third parties to endorse, such check payable to the order of Lender. Borrower hereby irrevocably appoints Lender as its attorney-in-fact, coupled with an interest, to endorse such check payable to the order of Lender. The expenses incurred by Lender in the settlement, adjustment and collection of the Proceeds shall become part of the Obligations and shall be reimbursed by Borrower to Lender upon demand.

(d) Condemnation.

(i) Notice; Restoration. Borrower shall give Lender written Notice of the actual or threatened commencement of any condemnation or eminent domain proceeding affecting the Property (a "Condemnation") within two (2) calendar days of actual constructive notice thereof, and shall deliver to Lender copies of any and all papers served in connection with such Condemnation. Following the occurrence of a Condemnation, Borrower, regardless of whether an Award is available, shall promptly proceed to restore, repair, replace or rebuild the Property in accordance with Legal Requirements to the extent practicable to be of at least equal value and of substantially the same character (and to have the same utility) as prior to such Condemnation.

(ii) Collection of Award. If a Condemnation covered by any of the Policies (an "**Insured Condemnation**") occurs where the loss does not exceed One Hundred Thousand and No/100 Dollars (\$100,000.00) (a "**Minor Condemnation**"), provided no Default or Event of Default has occurred and is continuing, Borrower has the power to collect, receive and retain any award or payment in respect of a Minor Condemnation. In the event of an Insured Condemnation where the loss equals or exceeds One Hundred Thousand and No/100 Dollars (\$100,000.00) (a "**Significant Condemnation**"), Lender is hereby irrevocably appointed as Borrower's attorney-in-fact, coupled with an interest, with exclusive power to collect, receive and retain any award or payment in respect of a Significant Condemnation (together with any right to receive and retain any award or payment in respect of a Minor Condemnation, an "**Award**") and to make any compromise, adjustment or settlement in connection with such Significant Condemnation. Notwithstanding any Condemnation (or any transfer made in lieu of or in anticipation of such Condemnation), Borrower shall continue to pay the Obligations at the time and in the manner provided for in the Loan Documents, and the Obligations shall not be reduced unless and until any Award shall have been actually received and applied by Lender to expenses of collecting the Award and to discharge of the Obligations. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided in the Promissory Note. If the Property or any part thereof is sold, through foreclosure or otherwise, prior to the receipt by Lender of such Award, Lender shall have the right, whether or not a deficiency judgment on the Promissory Note shall be recoverable or shall have been sought, recovered or denied, to receive all or a portion of the Award sufficient to pay the Obligations. Borrower shall cause any Award that is payable to Borrower to be paid directly to Lender. Lender shall hold such Award in the Casualty/Condemnation Account and disburse such Award in accordance with the terms hereof.

(e) Application of Proceeds or Award.

(i) Application to Restoration. If an Insured Casualty or an Insured Condemnation occurs where (A) the loss is a Significant Casualty or a Significant Condemnation; (B) in the reasonable judgment of Lender, the Property can be restored within six (6) months, and prior to six (6) months before the Scheduled Maturity Date and prior to the expiration of the rental or business interruption insurance with respect thereto, to the Property's pre-existing condition and utility as existed immediately prior to such Significant Casualty or Significant Condemnation and to an economic unit not less valuable and not less useful than the same was immediately prior to the Significant Casualty or Significant Condemnation, and after such restoration will adequately secure the Obligations; and (C) no

Default shall exist and no Event of Default shall have occurred, then the Proceeds or the Award, as the case may be (after reimbursement of any expenses incurred by Lender), shall be applied to reimburse Borrower (or to pay contractors or other third parties directly pursuant to Lender's standard disbursement procedures and requirements) for the cost of restoring, repairing, replacing or rebuilding the Property (the "**Restoration**"), in the manner set forth herein. Borrower shall commence and diligently prosecute such Restoration. Notwithstanding the foregoing, in no event shall Lender be obligated to apply the Proceeds or Award to reimburse Borrower for the cost of Restoration unless, in addition to satisfaction of the foregoing conditions, both (1) Borrower shall pay (and if required by Lender, Borrower shall deposit with Lender in advance) all costs of such Restoration in excess of the net amount of the Proceeds or the Award made available pursuant to the terms hereof; and (2) Lender shall have received evidence satisfactory to it that during the period of the Restoration, the Rents will be at least equal to the sum of the operating expenses and other reserve payments required hereunder, as determined by Lender.

(ii) Application to the Obligations. Except as provided in this Section 7.5(e)(ii), any Proceeds and/or Award may, at the option of Lender in its discretion, be applied to the payment of (a) accrued but unpaid interest on the Promissory Note; (b) the unpaid Principal; and (c) other charges due under the Promissory Note and/or any of the other Loan Documents, or applied to reimburse Borrower for the cost of any Restoration, in the manner set forth in Section 7.5(e)(iii).

(iii) Procedure for Application to Restoration. If Borrower is entitled to reimbursement out of the Proceeds or an Award held by Lender, such Proceeds or Award shall be disbursed from time to time from the Casualty/Condemnation Account upon Lender being furnished with (a) evidence satisfactory to Lender of the estimated cost of completion of the Restoration; (b) a fixed price or guaranteed maximum cost construction contract for Restoration satisfactory to Lender; (c) prior to the commencement of Restoration, all immediately available funds in addition to the Proceeds or Award that in Lender's judgment are required to complete the proposed Restoration; (d) such architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, bonds, plats of survey, permits, approvals, licenses and such other documents and items as Lender may require and approve in Lender's discretion; and (e) all plans and specifications for such Restoration, such plans and specifications to be approved by Lender prior to commencement of any work. Lender may, at Borrower's expense, retain a consultant to review and approve all requests for disbursements, which approval shall also be a condition precedent to any disbursement. No payments made in the aggregate prior to the final completion of the Restoration shall exceed ninety percent (90%) of the value of the work performed from time to time; funds other than the Proceeds or Award shall be disbursed prior to disbursement of such Proceeds or Award; and at all times, the undisbursed balance of such Proceeds or Award remaining in the hands of Lender, together with funds deposited for that purpose or irrevocably committed to the satisfaction of Lender by or on behalf of Borrower for that purpose, shall be at least sufficient in the reasonable judgment of Lender to pay for the cost of completion of the Restoration, free and clear of all Liens or claims for Lien. Provided no Default or Event of Default then exists, any surplus that remains out of the Proceeds held by Lender after payment of such costs of Restoration shall be paid to Borrower. Any surplus that remains out of the Award received by Lender after payment of such costs of Restoration shall, in the discretion of Lender, be retained by Lender and applied to payment of the Obligations or returned to Borrower.

7.6 Compliance with Laws. Borrower shall (and Borrower shall cause Sponsor to) comply in all material respects with the requirements of all Laws (including Environmental Laws and Healthcare Laws) and obtain, maintain and comply in all material respects with all Governmental Authorizations and Healthcare Authorizations, in each instance, applicable to it or to its business or property, except in such instances in which (a) such requirement of Law (including Environmental Laws) is being contested in good faith by appropriate proceedings diligently conducted; (b) the failure to comply with any such Law (including Environmental Laws and Healthcare Laws) could not reasonably be expected to have a

Material Adverse Effect; (c) the failure to obtain and maintain any such Governmental Authorization could not reasonably be expected to have a Material Adverse Effect; or (d) the failure to comply with any such Governmental Authorization or Healthcare Authorization could not reasonably be expected to have a Material Adverse Effect.

7.7 Books and Records. Borrower shall (and Borrower shall cause Sponsor to) (a) maintain proper books of record and account, in which full, true and correct entries in conformity with GAAP consistently applied shall be made of all financial transactions and matters involving the assets and business of Borrower or Sponsor, as the case may be; and (b) maintain such books of record and account in material conformity with all applicable requirements of any Governmental Authority having regulatory jurisdiction over Borrower or Sponsor, as the case may be. Borrower shall maintain at all times books and records pertaining to the Collateral in such detail, form and scope as Lender shall require.

7.8 Inspection Rights; Field Audits. (a) subject to the rights of tenants, Borrower shall permit representatives and independent contractors of Lender to visit and inspect the Healthcare Facility to conduct a field examination and audit of the Collateral; and (b) Borrower shall permit representatives and independent contractors of Lender to visit and inspect Borrower's chief executive office, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom, to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants, and to conduct a field examination and audit of any Collateral at such location; all at the expense of Borrower and at such reasonable times during normal business hours and as often as may be reasonably desired, upon reasonable advance notice to Borrower; provided, however, that when an Event of Default exists Lender (or any of its respective representatives or independent contractors) may do any of the foregoing at the expense of Borrower at any time during normal business hours and without advance notice.

7.9 Environmental Matters.

(a) Hazardous Materials. So long as Borrower owns or is in possession of the Real Property, Borrower shall (i) keep the Real Property free from Hazardous Materials (other than those which are used in the ordinary course of operating the Healthcare Facility, provided that such use does not violate any Environmental Laws) and in compliance with all Environmental Laws, including managing Hazardous Material in compliance with such Environmental Laws; (ii) promptly notify Lender if Borrower shall become aware of (A) any material Environmental Release of Hazardous Material on or near the Real Property, or any other change in the environmental condition of the Real Property from the condition set forth on Schedule 6.22; (B) any violation of any Environmental Laws at the Real Property; or (C) any condition on or near the Real Property involving Hazardous Material which poses a serious threat to the health, safety or welfare of humans; and (iii) remove Hazardous Materials released in violation of Law or otherwise requiring remediation or removal under Applicable Law and/or cure such violations and/or remove such threats, as applicable, as required by law (or as shall be required by Lender in the case of removal which is not required by law, but only in the case of a professional opinion of a licensed hydrogeologist, licensed environmental engineer or other qualified environmental consulting firm engaged by Lender ("*Lender's Consultant*") that such Hazardous Material poses a risk of harm to the environment or if left untreated is reasonably likely to result in a violation of Law), promptly after Borrower becomes aware of same, at Borrower's sole expense. Nothing herein shall prevent Borrower from recovering such expenses from any other party that may be liable for such removal or cure.

(b) Environmental Monitoring.

(i) Borrower shall give prompt written notice to Lender of (A) any proceeding or inquiry by any third party (including any Governmental Authority) with respect any actual or alleged violation of Environmental Law or the presence of any Hazardous Material on, under, from or

about any portion of the Real Property; (B) all claims made or threatened by any third party (including any Governmental Authority) against Borrower or the Real Property (or any portion thereof) or any party occupying the Real Property relating to any loss or injury resulting from any Hazardous Material; and (C) Borrower's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Real Property (or any portion thereof) that could cause the Real Property (or any portion thereof) to be subject to any investigation or cleanup pursuant to any Environmental Law. Upon becoming aware of the presence of toxic mold or toxic fungus (collectively "**Toxic Mold**") within or adversely affecting occupied improvements at the Real Property (or any portion thereof), Borrower shall (1) promptly undertake an investigation to identify the source(s) of such Toxic Mold and shall develop and implement an appropriate remediation plan to manage or eliminate the presence of any Toxic Mold; (2) perform or cause to be performed all acts reasonably necessary for the remediation of any Toxic Mold (including taking any action necessary to clean and disinfect any portions of the occupied improvements or affected areas at the Real Property affected by Toxic Mold, including providing any necessary moisture control systems at the Real Property); and (3) provide evidence satisfactory to Lender of the foregoing. Borrower shall permit Lender to join and participate in, as a party if it so elects, any legal or administrative proceedings or other actions initiated with respect to the Real Property in connection with any Environmental Law or Hazardous Material, and Borrower shall pay all reasonable attorneys' fees and disbursements incurred by Lender in connection therewith.

(ii) Upon Lender's request, Borrower shall provide an inspection or audit of the Real Property prepared by a licensed hydrogeologist, licensed environmental engineer or qualified environmental consulting firm approved by Lender assessing the presence or absence of Hazardous Materials on, in or near the any Real Property. Such inspections and audit may include soil borings and ground water monitoring. If Borrower fails to provide any such inspection or audit within thirty (30) days after such request, Lender may order same, and Borrower hereby grants to Lender and its employees and agents access to the Real Property and a license to undertake such inspection or audit.

(iii) If any environmental site assessment report prepared in connection with such inspection or audit recommends that an operations and maintenance plan be implemented for any Hazardous Material, whether such Hazardous Material existed prior to the ownership of the Real Property by Borrower, or presently exists or is reasonably suspected of existing, Borrower shall cause such operations and maintenance plan to be prepared and implemented at its expense upon request of Lender, and with respect to any Toxic Mold, Borrower shall take all action necessary to clean and disinfect any portions of the Improvements affected by Toxic Mold in or about the Improvements, including providing any necessary moisture control systems at the Real Property. If any investigation, site monitoring, containment, cleanup, removal, restoration or other work of any kind is reasonably necessary under an applicable Environmental Law ("**Remedial Work**"), Borrower shall commence all such Remedial Work within thirty (30) calendar days after both a written demand by Lender and Lender's reasonable approval of contractors and engineers, and thereafter diligently prosecute to completion all such Remedial Work within such period of time as may be required under Applicable Laws. All Remedial Work shall be performed by licensed contractors reasonably approved in advance by Lender and under the supervision of a consulting engineer reasonably approved by Lender. All costs of such Remedial Work shall be paid by Borrower, including Lender's reasonable attorneys' fees and disbursements incurred in connection with the monitoring or review of such Remedial Work. If Borrower does not timely commence and diligently prosecute to completion the Remedial Work, Lender may (but shall not be obligated to) cause such Remedial Work to be performed at Borrower's expense. Notwithstanding the foregoing, Borrower shall not be required to commence such Remedial Work within the above specified time period: (x) if prevented from doing so by any Governmental Authority or any limitation on access to third party property; (y) if commencing such Remedial Work within such time period would result in Borrower or such Remedial Work violating any Environmental Law; or (z) if Borrower, at its expense and after prior written notice to Lender, is contesting by appropriate legal, administrative or other proceedings,

conducted in good faith and with due diligence, the need to perform Remedial Work. Borrower shall have the right to contest the need to perform such Remedial Work, provided that (1) Borrower is permitted by the applicable Environmental Laws to delay performance of the Remedial Work pending such proceedings; (2) neither the Real Property nor any part thereof or interest therein will be sold, forfeited or lost if Borrower fails to promptly perform the Remedial Work being contested, and if Borrower fails to prevail in contest, Borrower would thereafter have the opportunity to perform such Remedial Work; (3) Lender would not, by virtue of such permitted contest, be exposed to any risk of any civil liability for which Borrower has not furnished additional security as provided in clause (4) below, or to any risk of criminal liability, and neither the Real Property nor any interest therein would be subject to the imposition of any Lien for which Borrower has not furnished additional security as provided in clause (4) below, as a result of the failure to perform such Remedial Work; and (4) Borrower shall have furnished to Lender additional security in respect of the Remedial Work being contested and the loss or damage that may result from Borrower's failure to prevail in such contest in such amount as may be requested by Lender but in no event less than one hundred twenty-five percent (125%) of the cost of such Remedial Work as reasonably estimated by Lender or Lender's Consultant and any loss or damage that may result from Borrower's failure to prevail in such contest.

(iv) Borrower shall not install or permit to be installed on the Real Property any additional underground storage tanks not present on the Closing Date.

7.10 [Reserved].

7.11 Security Interests. Borrower shall (a) defend the Collateral against all claims and demands of all Persons at any time claiming the same or any interest therein; (b) comply with the requirements of all Applicable Laws in order to grant to Lender valid and perfected First Priority security interests in the Collateral, with perfection, in the case of any investment property, deposit account or letter of credit, being effected by giving Lender control of such investment property or deposit account or letter of credit, rather than by the filing of a UCC financing statement with respect to such investment property; and (c) do whatever Lender may reasonably request, from time to time, to effect the purposes of this Agreement and the other Loan Documents, including filing notices of liens, UCC financing statements, fixture filings and amendments, renewals and continuations thereof; cooperating with Lender's representatives; keeping stock records; obtaining Collateral Access Agreement; and, paying claims which might, if unpaid, become a Lien on the Collateral. Lender is hereby authorized by Borrower to file any UCC financing statements covering the Collateral whether or not Borrower's signature appears thereon.

7.12 Account Control Agreements. Borrower shall maintain at all times a valid and enforceable account control agreement with respect to the Collection Account and each other depository account of Borrower, in form and substance satisfactory to Lender in its reasonable discretion.

7.13 Additional Accommodation Pledgors. Borrower shall cause any Person who acquires Equity Interests in Borrower to become an Accommodation Pledgor by entering into a Pledge Agreement.

7.14 Landlord and Warehouse Agreements. Borrower shall, upon request, provide Lender with copies of all existing agreements entered into in connection with Borrower or the Property, and promptly after execution thereof provide Lender with copies of all future agreements, between Borrower and any landlord, warehouseman, processor, shipper, bailee or other Person that owns any premises at which any Collateral may be kept or that otherwise may possess or handle any Collateral and obtain a Collateral Access Agreement with any such landlord, warehouseman, processor, shipper, bailee or other Person.

7.15 Licenses.Borrower shall keep each License affecting any material Collateral or any other material properties and assets of Borrower in full force and effect; promptly notify Lender of any proposed modification to any such License, or entry into any new License, in each case at least thirty (30) days prior to its expiration date; pay all Royalties when due; and notify Lender of any default or breach asserted by any Person to have occurred under any License.

7.17 Depository Accounts.Borrower shall maintain its primary depository, checking and other accounts with Lender on or prior to the Closing Date or such later date as reasonably determined by Lender.

7.18 Expenses.Borrower shall reimburse Lender upon receipt of notice for all Expenses. Any Expenses due and payable by Borrower hereunder which are not paid within five (5) calendar days after demand shall accrue interest at the Default Rate and may be paid by Lender, in its sole discretion. The obligations and liabilities of Borrower under this Section 7.18 shall survive the payment in full of the Obligations and the termination of this Agreement and the exercise by Lender of any of its rights or remedies under the Loan Documents.

7.19 Indemnity.Borrower shall defend, indemnify and hold harmless Lender and each Lender Affiliate and their respective successors and assigns, including the directors, officers, partners, members, shareholders, participants, employees, professionals and agents of any of the foregoing (including any Servicer) and each other Person, if any, who controls Lender, its Lender Affiliates or any of the foregoing (each, an “*Indemnified Party*”), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel for an Indemnified Party in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto, court costs and costs of appeal at all appellate levels, investigation and laboratory fees, consultant fees and litigation expenses), imposed on, incurred by, or asserted against any Indemnified Party (collectively, the “*Indemnified Liabilities*”) in any manner, relating to or arising out of or by reason of the Loan, including: (i) any breach by Borrower or Sponsor of its obligations under, or any misrepresentation by Borrower or Sponsor contained in, any Loan Document; (ii) the use or intended use of the proceeds of the Loan; (iii) any information provided to any Indemnified Party by or on behalf of Borrower or Sponsor, or contained in any documentation approved by Borrower or Sponsor; (iv) possession of any Lien in any of the Collateral except for Permitted Liens; (v) any Environmental Release or the presence, disposal, escape, seepage, leakage, spillage, discharge, emission, release, or threatened release of any Hazardous Materials on, from or affecting the Collateral or the Healthcare Facility; (vi) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Environmental Release or Hazardous Materials; (vii) any lawsuit brought or threatened, settlement reached, or government order relating to such Environmental Release or Hazardous Materials or any violation of Healthcare Laws; and (viii) any violation of the Environmental Laws which is based upon or in any way related to such Environmental Release or Hazardous Material or any violation of Healthcare Laws, including the reasonable fees and disbursements of legal counsel for Lender, including the reasonable charges of internal legal counsel, the reasonable fees and disbursements of environmental engineers and consultants, investigation and laboratory fees, response and remediation costs, court costs and litigation expenses; provided, however, that Borrower shall not have any obligation to any Indemnified Party hereunder to the extent that it is finally judicially determined that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of such Indemnified Party. Any amounts payable to any Indemnified Party by reason of the application of this Section 7.19 shall be payable on demand and shall bear interest at the Default Rate from the date loss or damage is sustained by any Indemnified Party until paid. The obligations and

liabilities of Borrower under this Section 7.19 shall survive the repayment of the Obligations, the termination of this Agreement and the exercise by Lender of any of its rights or remedies under the Loan Documents in any of the Collateral or otherwise.

7.20 Borrower Accounts. Borrower each shall maintain the Collection Account with Lender with automatic debit of monthly payments due to Lender pursuant to both the Loan Documents until the Obligations have been repaid in full.

7.21 Property Management. Borrower shall manage and, to the extent applicable operate, the Property in a first-class manner consistent with Applicable Laws and the preservation and protection of the Property as security for the Obligations.

7.22 Patriot Act Compliance.

(a) Borrower shall (and shall cause Sponsor to) comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower, Sponsor and the Collateral, including those relating to money laundering and terrorism. Lender shall have the right to audit each Credit Party's compliance with the Patriot Act and all applicable requirements of any Governmental Authority having jurisdiction over any such Credit Party and the Collateral, including those relating to money laundering and terrorism. In the event that Borrower or Sponsor fails to comply with the Patriot Act or any such requirements of any such Governmental Authority, then Lender may, at its option, cause Borrower or Sponsor to comply therewith and any and all reasonable costs and expenses incurred by Lender in connection therewith shall be added to the Obligations, shall be secured by the Collateral and the other Loan Documents and shall be immediately due and payable. For purposes hereof, the term "*Patriot Act*" means the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT ACT) Act of 2001, as the same may be amended from time to time, and corresponding provisions of future laws.

(b) Neither Borrower nor Sponsor nor any officer, director, shareholder or partner in Borrower or Sponsor or member of such partner nor any owner of a direct or indirect interest in Borrower (i) is listed on any Government Lists; (ii) is a Person who has been determined by competent authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC or in any enabling legislation or other Presidential Executive Orders in respect thereof; (iii) has been previously indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense; or (iv) is currently under investigation by any Governmental Authority for alleged criminal activity.

(b) Borrower shall (and Borrower shall cause Sponsor to) comply with all Healthcare Authorizations and any other agreements necessary for Borrower's ownership of the Real Property.

7.24 Special Purpose Entity. Borrower shall at all times be a Special Purpose Entity. Borrower shall not directly or indirectly make any change, amendment or modification to its organizational documents, or otherwise take any action which could result in Borrower not being a Special Purpose Entity. A "Special Purpose Entity" shall have the meaning set forth on Schedule 7.24 hereto.

7.25 Title to the Real Property. Borrower will warrant and defend the title to the Real Property, and the validity and priority of all Liens granted or otherwise given to Lender under the Loan Documents, subject only to Permitted Encumbrances, against the claims of all Persons.

7.26 Right of First Refusal. If at any time prior to the Scheduled Maturity Date receives from a third party (including a loan sponsored by the United States Department of Housing and Urban Development) an offer, term sheet or commitment, or any amendment thereto, or makes a proposal accepted by any Person (each, an “*Offer*”) which provides for any type of financing (other than equity financings which are not convertible into secured debt) to or for Borrower or otherwise with respect to the Collateral, Borrower shall immediately notify Lender of the Offer in writing (including all material terms of the Offer), and Lender shall have thirty (30) calendar days after receipt of such notice (the “*Option Period*”) to agree to provide similar financing in the place of such Person upon substantially the same terms and conditions (or terms more favorable to Borrower) as set forth in the Offer; provided, however, that such Option Period shall be tolled during any period that Lender has requested from Borrower, but not yet received, financial and other information reasonably needed by Lender to determine whether to accept the Offer. Lender shall notify Borrower in writing of Lender’s acceptance of the Offer pursuant hereto (the “*Offer Acceptance Notice*”), in which case Borrower shall obtain such financing from Lender (or a Lender Affiliate designated by Lender) and shall not accept the Offer from such other Person. If no Offer Acceptance Notice has been received from Lender within the Option Period, Borrower may consummate the Offer with the other Person on the terms and conditions set forth in the Offer (the “*Offered Financing Transaction*”); provided, however, that none of the foregoing or any failure by Lender to issue an Offer Acceptance Notice shall be construed as a waiver of any of the terms, covenants or conditions of any of the Loan Documents. If the Offered Financing Transaction is not closed on the terms set forth in the Offer or with the Person providing the Offer or during the one hundred twenty (120) calendar day period following the expiration of the Option Period, Borrower shall not be permitted to consummate the Transaction without again complying with this Section 7.26. The provisions of this Section 7.26 shall survive the payment in full of the Obligations and termination of this Agreement for a period of six months.

7.27 Notice of Condemnation. Borrower, promptly, but in no event more than two (2) Business Days, upon obtaining knowledge of the institution of any proceeding for the condemnation or requisition of the Real Property or any portion thereof, shall notify Lender of the pendency of such proceeding. Lender may participate in such proceeding, and Borrower from time to time shall deliver to Lender all instruments requested by Lender to permit such participation.

7.28 Prior Mortgages. If the Mortgage, by its terms, is now, or at any time hereafter, becomes subject or subordinate to a prior mortgage, Borrower shall fully perform its obligations under such prior mortgage and shall not, without the consent of Lender, agree to the modification, amendment or extension of the terms or conditions of such prior mortgage. Nothing contained in this Section is intended, nor shall it be deemed, to constitute consent by Lender to a subordination of the lien of the Mortgage.

7.29 Further Assurances. Borrower shall (a) execute and deliver to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the Obligations and/or for the better and more effective carrying out of the intents and purposes of the Loan Documents, as Lender may reasonably require from time to time; and (b) upon Lender’s request therefor given from time to time pay for reports of UCC, federal tax lien, state tax lien, judgment and pending litigation searches with respect to Borrower, each such search to be conducted by search firms designated by Lender in each of the locations designated by Lender.

7.30 Use of Proceeds.Borrower agrees that the proceeds of the Loan shall be used by Borrower solely for: (a) payment of a portion of the purchase price under the Purchase Agreement; (b) payment of transaction fees incurred in connection with this Agreement; and (c) funding of Reserves in accordance with Article III.

ARTICLE VIII. NEGATIVE COVENANTS

8.7 Asset Dispositions.Borrower shall not make any Asset Disposition, except a Permitted Asset Disposition.

8.8 Distributions; Certain Other Payments.Borrower shall not declare or make, directly or indirectly, any Distribution, or incur any obligation (contingent or otherwise) to do so, or issue or sell any Equity Interests, except for Tax Distributions so long as no Default or Event of Default has occurred and is continuing or would be caused by or result therefrom. Furthermore, so long as no Default or Event of Default shall have occurred and be continuing at the time of any action described below or would result therefrom, Borrower may make Distributions to its direct members or shareholders on the following terms and conditions: (a) no Default or Event of Default could result from the payment of any Distributions; (b) prior to any Distribution, Borrower shall provide to Lender notice of a proposed Distribution and a calculation of *pro forma* covenant compliance after giving effect to such Distribution; and (c) Distributions shall not be made more frequently than once in any Fiscal Month.

8.9 Change in Nature of Business; Change to Organization Documents. Borrower shall not (a) engage in any business activity not related to the ownership or operation of the Healthcare Facility or any business substantially related or incidental thereto; (b) amend any of its respective Organization Documents; (c) change its jurisdiction of formation or organization or its type or form of organization, *e.g.*, corporation or limited liability company; or (d) change its name or identity (including trade name or names) without notifying Lender of such amendment or change in writing at least thirty (30) calendar days prior to the effective date thereof and, in the case of an amendment or change in business activity or type or form of organization, without first obtaining the prior written consent of Lender.

Borrower shall execute and deliver to Lender, prior to or contemporaneously with the effective date of any such change, any financing statement or financing statement change required by Lender to establish or maintain the validity, perfection and priority of the security interest granted herein.

8.10 Transactions with Affiliates. Borrower shall not enter into any transaction of any kind with any of Borrower's Affiliates, whether or not in the ordinary course of business, without the prior written consent of Lender, in its sole and absolute discretion. Without limitation, Lender may condition any such approval on receipt of a subordination agreement relating to such transaction on terms as required by Lender in its sole and absolute discretion.

8.11 Burdensome Agreements. Borrower shall not enter into any Contractual Obligation (other than this Agreement or any other Loan Document) that (a) limits the ability (i) of Borrower to create, incur, assume or suffer to exist Liens on property of Borrower; or (b) requires the grant of a Lien to secure an obligation of such Person if a Lien is granted to secure another obligation of such Person.

8.12 Zoning. Borrower shall not initiate or consent to any zoning reclassification of any portion of the Real Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of the Real Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

8.13 No Joint Assessment. Borrower shall not suffer, permit or initiate the joint assessment of the Real Property (a) with any other real property constituting a tax lot separate from the Real Property; and (b) with any portion of the Real Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to the Real Property.

8.14 Use of Proceeds. Borrower shall not use the proceeds of the Loan, whether directly or indirectly, and whether immediately, incidentally or ultimately, for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Laws or any Loan Document.

8.15 Change of Control. Borrower and Sponsor shall not cause or permit any Change of Control.

8.16 Dissolution and Transfers. 8.17 Leases; Assignments; Subordination. Borrower shall not lease the Real Property or any part thereof without the prior written consent of Lender other than the Operating Lease. Borrower shall faithfully keep, observe and satisfy all the obligations on the part of the lessor or lessee, as applicable, to be kept, performed and satisfied under every lease (including the Operating Lease and the Ground Lease) from time to time in force with reference to the Real Property, and shall not alter or terminate any such lease (including the Operating Lease and the Ground Lease), or any guarantee of such lease (including the Operating Lease and the Ground Lease), except in the ordinary course of business, or accept any rentals for more than one (1) month in advance (or, with respect to the Ground Lease, pay any rentals for more than one (1) month in advance). At any time on notice from Lender, Borrower shall submit to Lender for examination all such leases and on the demand of Lender, shall execute and deliver a separate instrument collaterally assigning any or all such leases, or the rents and profits thereof, in form satisfactory to Lender. Lender shall have the right, by the execution of suitable written instruments from time to time, to subordinate the Mortgage, and the rights of Lender thereunder, to any lease or leases from time to time in force with reference to the Property, and, on the execution of any such instrument, the Mortgage shall be subordinate to the lease for which such subordination is applicable with the same force and effect as if such lease had been executed and delivered, and a notice thereof recorded to the extent required to give notice to third persons, prior to the execution, delivery and recording of the Mortgage. Nothing contained in this Section is intended, nor shall it be deemed, to constitute consent by Lender to a subordination of the lien of the Mortgage.

8.18 Indebtedness Cancellation. Borrower shall not cancel or otherwise forgive or release any claim or debt owed to Borrower by any Person, except for adequate consideration and in the ordinary course of Borrower's business.

(b) Borrower shall (and shall cause Sponsor to) not maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of Borrower to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan or any Welfare Plan or permit the assets of Borrower to become "plan assets," whether by operation of law or under regulations promulgated under ERISA.

Payment Charges and any other amounts owing by Borrower), without notice or demand; and upon any Event of Default described in paragraph (f) of Section 11.1, the Obligations (including unpaid interest, Default Rate interest, Late Payment Charges and any other amounts owing by Borrower) shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained in any Loan Document to the contrary notwithstanding.

(b) Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower and Sponsor under the Loan Documents or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Obligations shall be declared, or be automatically, due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth in the Loan Documents. To the extent permitted by applicable law, nothing contained in any Loan Document shall be construed as requiring Lender to resort to any portion of the Real Property for the satisfaction of any of the Obligations in preference or priority to any other portion, and Lender may seek satisfaction out of the entire Real Property or any part thereof, in its discretion.

(c) Severance. Lender shall have the right from time to time to sever the Promissory Note and the other Loan Documents into one or more separate notes, mortgages and other security documents in such denominations and priorities of payment and liens as Lender shall determine in its discretion for purposes of evidencing and enforcing its rights and remedies. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. (d) Delay. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default, or the granting of any indulgence or compromise by Lender shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default shall not be construed to be a waiver of any subsequent Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Agreement, Lender reserves the right to seek a deficiency judgment or preserve a deficiency claim in connection with the foreclosure of the Mortgage to the extent necessary to foreclose on all or any portion of the Real Property, the Rents, the Cash Management Accounts or any other collateral.

(e) Lender’s Right to Perform. If Borrower fails to perform any covenant or obligation contained herein and such failure shall continue for a period of five Business Days after

Borrower's receipt of written notice thereof from Lender, without in any way limiting Lender's right to exercise any of its rights, powers or remedies as provided hereunder, or under any of the other Loan Documents, Lender may, but shall have no obligation to, perform, or cause performance of, such covenant or obligation, and all costs, expenses, liabilities, penalties and fines of Lender incurred or paid in connection therewith shall be payable by Borrower to Lender upon demand and if not paid shall be added to the Obligations (and to the extent permitted under applicable laws, secured by the Mortgage and other Loan Documents) and shall bear interest thereafter at the Default Rate. Notwithstanding the foregoing, Lender shall have no obligation to send notice to Borrower of any such failure.

11.3 Application of Payments After Exercise of Remedies. Notwithstanding any other provisions of this Agreement to the contrary, after the exercise of remedies by Lender pursuant to Section 11.2 (or after the Loan (with accrued interest thereon) and all other Obligations under the Loan Documents shall have automatically become due and payable in accordance with the terms of such Section 11.2), all amounts collected or received by Lender on account of the Obligations or any other amounts outstanding under any of the Loan Documents or in respect of the Collateral shall be applied as follows (and Borrower irrevocably waives the right to direct the application of any such amounts in any other manner):

(a) **FIRST**, to the payment of all fees, costs and Expenses (including the reasonable fees and disbursements of legal counsel for Lender, and the reasonable charges of internal legal counsel) of Lender in connection with enforcing the rights of Lender under the Loan Documents;

(b) **SECOND**, to the payment of all of the other Obligations in such order or preference as Lender may determine in its sole discretion;

(c) **THIRD**, to all other Obligations and other obligations which shall have become due and payable under the Loan Documents or otherwise and not repaid pursuant to clauses "FIRST" and "SECOND" above; and

(d) **FOURTH**, to the payment of the surplus, if any, to Borrower or whoever else may be lawfully entitled to receive such surplus.

In carrying out the foregoing, amounts received shall be applied in the numerical order provided above until exhausted prior to application to the next succeeding category.

11.4 Rights to Appoint Receiver. Without limiting and in addition to any other rights, options and remedies Lender has under this Agreement, the other Loan Documents, the UCC, at law or in equity, upon the occurrence and continuation of an Event of Default under Section 11.1(a), Section 11.1(f) or Section 11.1(g) or the acceleration of the Loan pursuant to Section 11.2, Lender shall have the right to apply for and have a receiver appointed by a court of competent jurisdiction in any action taken by Lender to enforce its rights and remedies in order to manage, protect, preserve, sell or dispose the Collateral and continue the operation of the business of Borrower and to collect all revenues and profits thereof and apply the same to the payment of all expenses and other charges of such receivership including the compensation of the receiver and to the payments as aforesaid until a sale or other disposition of such Collateral shall be finally made and consummated. **BORROWER HEREBY IRREVOCABLY CONSENTS TO AND WAIVES ANY RIGHT TO OBJECT TO OR OTHERWISE CONTEST THE APPOINTMENT OF RECEIVER AS PROVIDED ABOVE. BORROWER (I) GRANTS SUCH WAIVER AND CONSENT KNOWINGLY AFTER HAVING DISCUSSED THE IMPLICATIONS THEREOF WITH COUNSEL; (II) ACKNOWLEDGES THAT (A) THE UNCONTESTED RIGHT TO HAVE A RECEIVER APPOINTED FOR THE FOREGOING PURPOSES IS CONSIDERED ESSENTIAL BY LENDER IN CONNECTION WITH THE ENFORCEMENT OF ITS RIGHTS AND**

REMEDIES UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; and (B) THE AVAILABILITY OF SUCH APPOINTMENT AS A REMEDY UNDER THE FOREGOING CIRCUMSTANCES WAS A MATERIAL FACTOR IN INDUCING LENDER TO MAKE THE LOAN; and (III) AGREES TO ENTER INTO ANY AND ALL STIPULATIONS IN ANY LEGAL ACTIONS, OR AGREEMENTS OR OTHER INSTRUMENTS IN CONNECTION WITH THE FOREGOING AND TO COOPERATE FULLY WITH LENDER IN CONNECTION WITH THE ASSUMPTION AND EXERCISE OF CONTROL BY THE RECEIVER OVER ALL OR ANY PORTION OF THE COLLATERAL, THE HEALTHCARE FACILITY OR ANY OTHER PROPERTY OF BORROWER.

11.5 Assistance and Cooperation. Borrower agrees to assist and cooperate with Lender, and take any action which Lender may reasonably request or require of Borrower, in order to enable Lender to obtain and enjoy the full rights and benefits granted to Lender by Borrower and Sponsor under this Agreement and the other Loan Documents, including specifically, at the cost and expense of Borrower, the use of their best efforts to assist in obtaining approval of any Governmental Authority for any transaction or action contemplated thereunder which is necessary under any Law or Contractual Obligation, and specifically, without limitation, the preparation, execution and filing with any such Person of any application for consent to assignment of Governmental Authorizations or otherwise.

11.6 License. Lender is hereby granted an irrevocable, non-exclusive license or other right to use, license or sub-license (without payment of royalty or other compensation to any Person) any or all Intellectual Property of Borrower, computer hardware and software, trade secrets, brochures, customer lists, promotional and advertising materials, labels, packaging materials and other property, in advertising for sale, marketing, selling, collecting, completing manufacture of, or otherwise exercising any rights or remedies with respect to, any Collateral. Borrower's rights and interests under Intellectual Property shall inure to Lender's benefit.

11.7 Injunctive Relief. Borrower acknowledges and agrees that if Borrower fails to perform any covenant or obligation contained herein or under any of the other Loan Documents, Lender may have no adequate remedy in monetary damages and, accordingly, shall be entitled to an injunction (including, without limitation, a temporary restraining order, preliminary injunction, writ of attachment or order compelling performance), against such non-performance. Lender shall not be deemed to have waived any other legal or equitable remedies under this Agreement, the other Loan Documents or at law if Lender shall seek injunctive relief under this Section 11.7. Borrower waives any requirement for the posting of a bond or other security by Lender in connection with any such injunctive relief.

ARTICLE XII. SALE OF LOAN; SECONDARY MARKET TRANSACTIONS

Lender shall have the right at any time and from time to time (a) to sell or otherwise transfer the Loan or any portion thereof or the Loan Documents or any interest therein to one or more investors; or (b) to sell participation interests in the Loan to one or more investors. In connection with any such sale, transfer or participation of the Loan or any portion thereof, Borrower shall, at Borrower's expense, use all reasonable efforts and cooperate fully and in good faith with Lender and otherwise assist Lender in consummating any such sale, transfer or participation. All information regarding Borrower, Sponsor, or the Collateral may be furnished, without liability to Lender, to any prospective purchaser or participant in the Loan. Promissory Note and the Collateral Documents (each such securitization is referred to herein as a “*Secondary Market Transaction*”). In connection with any such Secondary Market Transaction, Borrower shall, at Borrower’s reasonable expense, use all reasonable efforts and cooperate fully and in good faith with Lender and otherwise assist Lender in satisfying the market standards to which Lender customarily adheres or which may be reasonably required in the marketplace or by the Rating Agencies in connection with any such Secondary Market Transactions. All information regarding Borrower, Sponsor or the Real Property may be furnished, without liability to Lender, to any Person deemed necessary by Lender in connection with such Secondary Market Transaction. In addition, Borrower, on behalf of itself and Sponsor, expressly consents to and authorizes Lender to provide to financial or other industry periodicals, newspapers, reporting services or trade organizations information necessary and customary for inclusion of the transaction(s) in league table measurements, including the aggregate dollar value of the transaction.

14.16 No Usury. Borrower and Lender intend at all times to comply with applicable state law or applicable United States federal law (to the extent that it permits Lender to contract for, charge, take, reserve or receive a greater amount of interest than under state law) and that this Section 14.16 shall control every other agreement in the Loan Documents. If the applicable law (state or federal) is ever judicially interpreted so as to render usurious any amount called for under the Promissory Note or any other Loan Document, or contracted for, charged, taken, reserved or received with respect to the Obligations, or if Lender's exercise of the option to accelerate the maturity of the Loan or any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by applicable law, then it is Borrower's and Lender's express intent that all excess amounts theretofore collected by Lender shall be credited against the unpaid principal amount of the Obligations (or, if the Obligations have been or would thereby be paid in full, refunded to Borrower), and the provisions of the Loan Documents immediately be deemed reformed and the amounts thereafter collectible thereunder reduced, without the necessity of the execution of any new document, so as to comply with applicable law, but so as to permit the recovery of the fullest amount otherwise called for thereunder. All sums paid or agreed to be paid to Lender for the use, forbearance or detention of the Loan shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the maximum lawful rate from time to time in effect and applicable to the Loan for so long as the Loan is outstanding. Notwithstanding anything to the contrary contained in any Loan Document, it is not the intention of Lender to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

14.17 Conflict; Construction of Documents. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that each is represented by separate counsel in connection with the negotiation and drafting of the Loan Documents and that the Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

14.18 No Third Party Beneficiaries. The Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in any Loan Document shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

14.19 Assignment. The Loan, the Promissory Note, the Loan Documents and/or Lender's rights, title, obligations and interests therein may be assigned by Lender and any of its successors and assigns to any Person at any time in its discretion, in whole or in part, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, including, without limitation to any Federal Reserve Bank in accordance with Applicable Law. Upon such assignment, all references to Lender in this Agreement and in any Loan Document shall be deemed to refer to such assignee or successor in interest

and such assignee or successor in interest shall thereafter stand in the place of Lender. Neither Borrower nor any Sponsor may assign its rights, title, interests or obligations under this Agreement or under any of the other Loan Documents.

14.20 Set-Off. Without limiting and in addition to any other rights, options and remedies Lender has under this Agreement, the other Loan Documents, the UCC, at law or in equity, Lender shall have the right, without prior notice to Borrower, any such notice being expressly waived by Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by Lender or any Lender Affiliate to or for the credit or the account of Borrower. Lender agrees promptly to notify Borrower after any such set-off and application made by Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

14.21 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopier, facsimile machine, portable document format (“**PDF**”) or other electronic means shall be as effective as delivery of a manually executed counterpart of this Agreement. The effectiveness of any such documents and signatures shall, subject to Applicable Laws, have the same force and effect as manually signed originals and shall be binding on Borrower and Lender. Lender may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided, however, that the failure to request or deliver the same shall not limit the effectiveness of any facsimile document or signature. No party may raise the use of a telecopier, facsimile machine, PDF or other electronic means, or the fact that any signature was transmitted through the use of a telecopier, facsimile machine, PDF or other electronic means, as a defense to the enforcement of this Agreement.

14.22 Release of Claims. Borrower, on behalf of itself and Sponsor, does hereby (a) waive any claim in tort, contract or otherwise which Borrower or Sponsor may have against Lender or any of its Affiliates or their officers, directors, agents, or employees (collectively, “Lender Agents”) which may arise out of the relationship between Borrower and any such Person prior to the Closing Date; and (b) absolutely and unconditionally releases and discharges Lender, each of its Affiliates and the Lender Agents from any and all claims, causes of action, losses, damages or expenses which may arise out of any relationship between it and Lender, any such Affiliate or the Lender Agents which Borrower or such other Credit Party may have as of the Closing Date. Borrower, on behalf of itself and Sponsor, acknowledges that it makes this waiver and release knowingly, voluntarily and only after considering the ramifications of this waiver and release with its legal counsel.
